Commercial Leagues (During Season of Play)

Teams affiliated with this Association, in areas where there is not a high school league, may compete as a high school team in a commercial league. Such team must bear the school's name and all members of the team must be registered students of the school. The team concerned must receive the permission of the Directors of the BCHSBBA before competing in any commercial league. Failure to gain permission makes the team ineligible to compete in the Provincial Championship. Any such application must be received by December 1st of the basketball season.
