The **MISSION STATEMENT** of BC SCHOOL SPORTS reflects the membership's drive for service excellence and a commitment to being a student-centred, school-driven organization. Every program and service offered by the association is directed toward student-athletes and/or the volunteer teacher and community coaches who spend hours of time helping students to achieve their goals.

"BC SCHOOL SPORTS is a membership based organization of schools. We fulfill our mission by:

- ***promoting student participation in extra-curricular activities***
- ***assisting schools in the development and delivery of their programs***
- ***providing governance for inter-school competition.***

Public and Non-Public secondary schools from across the province are Member Schools of BC SCHOOL SPORTS. The association is self-governed with Member Schools approving the operating and competitive policies by which school sport is governed. BC SCHOOL SPORTS also liaises with and welcomes input from School Districts, the Ministry of Education, the BC School Trustees Association (BCSTA), the BC School Superintendents Association (BCSSA), the BC Principals & Vice Principals Association (BCP/VPA) and the BC Confederation of Parent Advisory Councils (BCCPAC).

Legislative Assembly:

The Legislative Assembly is the governing body of BC SCHOOL SPORTS and is comprised of representatives from every MEMBER SCHOOL. The Legislative Assembly comes together for General Meetings. **Every Member School is asked to send a representative to the AGM or be represented by proxy.**

The Legislative Assembly makes decisions regarding competitive rules & regulations, operating policies, fees, association advocacy programs, position statements and membership programs and services.

Board of Directors and the Management Committee:

The Board of Directors is responsible for policy implementation as approved by the membership, and for the general business of the association. The Board includes the President, 1st Vice President, 2nd Vice President, plus 3 representatives from the Council of Sport Commissioners, and 3 representatives from the Council of Athletic Association Presidents. The remaining 4 Directors are appointees named by the BCP/VPA, the BCSTA, the BCSSA, and BCCPAC.

Five Directors form the Management Committee and deal with issues on behalf of the Board of Directors between Board meetings and on behalf of all Member Schools.

Standing Committees:

BC SCHOOL SPORTS has a strong Standing Committee structure leading the many programs and services offered to Member Schools. Eighteen Sport Commissions manage zonal qualifying events and the 47 BCSS provincial championships. The Administrators Zone Committee advises on policy development and association direction. The Coaching Development Committee, Competitive Standards Committee and the Scholarships & Awards Committee recommend policy and develop member programs. The Eligibility Officer, the Eligibility Appeals Committee and the Disciplinary Appeals Committee deal with eligibility or disciplinary matters within the context of approved policies and rules & regulations.

Block Fees for Member Schools:

BC SCHOOL SPORTS Member Schools pay a BLOCK FEE based on total full-time enrolment in grades 7 through 12 plus full-time ungraded secondary students as reported to the Ministry of Education in the previous school year.

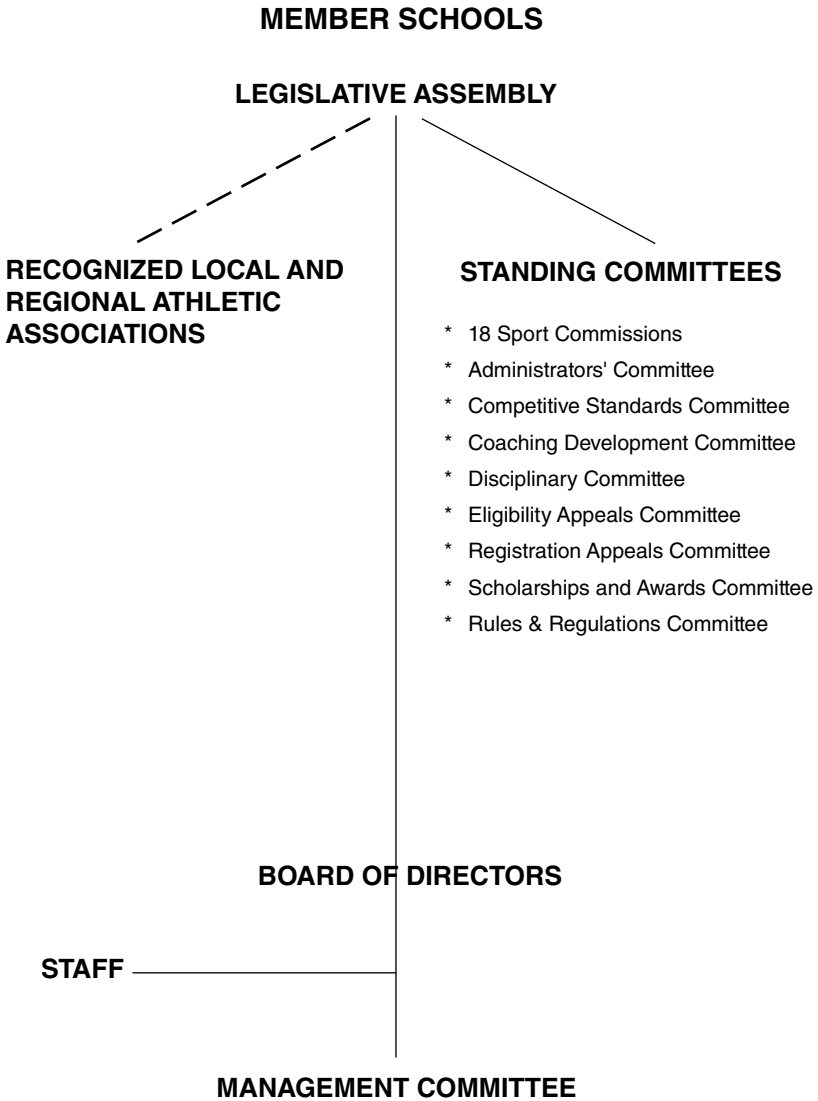

The following fee schedule is effective for 2011-2012:
