### COURSE DESCRIPTIONS

#### 703c: Student Centered Educational Athletics – Performance Beyond the X's and O's

This student centered program will provide learning experiences for student athletes beyond the X's and O's. This course will support a value based curriculum that will demonstrate model behaviors and qualities that students should emulate both in and out of the athletic arena. Teachable moments beyond the classroom—center court, centerfield or center ice—provide the opportunity to promote and maximize the achievement of these educational goals and life skills. This course will provide the necessary strategies, methods and resources to implement this initiative within your own school.

#### 710c: Current Issues in Canadian School Sport

A panel of three experienced athletic administrators will lead the group through three workshop topics on current issues in Canadian school sport. Topics examined will include: Dealing Effectively with Parents, Developing Leadership in Your Athletic Program, and Enhancing Multi-sport Participation and Combating Specialization. Utilizing a mix of lecture and small-group discussions, the presenters will explore each issue from a number of perspectives and examine effective response strategies. Participants will have an opportunity to contribute to the discussion and explore each topic in detail as a unit. Enrollees who will derive greatest benefit: Administrators seeking discussion of current issues and problem resolution strategies.

### ABOUT THE LEADERSHIP TRAINING PROGRAM (LTP)

The Leadership Training Program is a voluntary professional development program designed by athletic administrators. Athletic Administrators who complete LTP courses will have attained additional knowledge and perspective of the Athletic Administrator's role. Completion of leadership training courses will enhance the daily operations of the athletic department and improve the programs being administered. Each LTP course is 4-hour in length and can be used towards the CIAAA certification program and/or Master's program credits.

### MASTER'S PROGRAM CREDITS

The CIAAA's Leadership Training Program is partnered with Grace College's MSc of Athletic Administration. This flexible degree is completed 100% online by completing LTP courses through the CIAAA and submitting accompanying project work to the university. This program has been approved by BCTF for Teacher Qualification Services.
