Strategic Plan Update

We are thrilled to provide you a brief update on the progress of the BCSS Strategic Plan. After two very successful surveys, our consultants with guidance from your Board of Directors engaged three small working groups tasked with focusing on the 3 pillars that will form the plan. These are (1) Governance, (2) Programs and Services, (3) Communication and Image. We had representation from public and independent, large and small and urban and rural schools on these groups. They have now submitted their work to the Board of Directors who are putting the finishing touches on the plan. The plan will be announced at the AGM on May 12, and will be available publicly immediately after. We look forward to sharing the hard work of many people with you, that should guide the direction of our organization for the next 3-4 years.

Sanctioning

Is your Team Travelling or Hosting Teams from Outside of BC?

When playing school teams that are not members of BCSS, sanctioning is required from both BCSS as well as the other state or provincial association. Member schools are only eligible to play member schools and not club teams. Sanctioning forms are to be submitted 30 days in advance of competition.
