

Greetings

Mike Allina

President, BC School Sports

Welcome athletes, coaches, officials, volunteers and parents. Your dedication and commitment to school sports is an integral element of a quality educational program. School sports play a significant role in establishing positive school cultures and healthy learning environments. Your involvement in school sports is extremely valuable to our students, schools and communities.

The 2015-2016 year was full of accomplishments and successes that highlighted your hard work and dedication to sports. I look forward to continuing to build on the strong traditions that have been established at BC School Sports.

As I enter my first year as president, I am looking forward to building relationships with our stakeholder groups who advocate for our athletes, volunteers and coaches to continue the work of my predecessors.

BCSS is a self-governing and membership driven organization and is truly defined by the collective strength of its members. Active involvement, engagement and awareness of our BCSS policies and procedures are crucial to the organization's continued success.

I would like to thank the volunteers and coaches for challenging and inspiring our student-athletes. Your commitment to fair play and the true spirit of school sports makes us an outstanding organization. I would also like to acknowledge and thank the BCSS Board of Directors, committee members and office staff for their dedication, commitment and positive energy. In addition, I would like to welcome our new Executive Director Jordan Abney to the BCSS team and I wish him all the best in his new position at BCSS.

On behalf of BC School Sports' Board of Directors, I wish all of you continued success in the 2016 - 2017 school year.
