SPORTS TEAMS GRADE 12

OVERALL GRADE %

Grade 11:

Grade 12:

“Being involved creates stress very easily, and I know when I go for a few laps around the track that I can shelf my outside worries and focus on what I am doing.”

Leadership and Community Service Involvement: Katerina served as vice president of her school’s Grad Council and was a member of the Leadership class and Habitat for Humanity. She has helped with community cleanups and travelled to poverty stricken communities such as El Salvador and Skid Row in Los Angeles.

Value of School Athletics: Katerina believes sports build bonds with students and teachers. Sports have helped her relieve stress, develop her leadership abilities and stay healthy.

Future Plans: Katerina plans to run for the Trinity Western Spartan’s Track and Field Team while studying Communications. She would like to pursue a career in film and/or journalism.
