GRADE 11: 88% GRADE 12: 91%

"I enjoy sharing the fun of exercising together and inspiring, supporting, challenging and trusting each other to give the best for the team."

Leadership and Community Service: Lars was part of the school R&B Band, and has helped organize fundraisers for various causes such as building an orphanage in Africa. He has played at the provincial and national sport level and has earned his tennis and volleyball coaching certifications.

Value of School Athletics: Sports have helped Lars excel academically and learn the importance of discipline and develop his confidence. Experimenting with various sports has helped him develop a variety of skills.

Future Plans: Lars plans to study mechanical engineering at UBCO and play in the UBCO Volleyball team.
