Classification and Rule Clarification

All swimmers are limited to a total of four events including alternate entries. No time(s) recorded at this meet by SNC / SwimBC members may be used for Provincial or National Qualification or any Team selection since this is an unsanctioned event.

A Category:

- **B swimmers can compete in the A Category due to no SNC sanction**
- No SNC number is required to swim in the A Category
- If a swimmer has competed in a winter meet after January 1st, 2016 with a SNC number then he or she is classified as an A Category swimmer

B Category:

- As of January 1st of the championship year, a B Category swimmer trains and competes from May 1st to Sept. 30th with no restrictions.
- From Sept. 30th to April 30th a B swimmer may train with their high school team and may participate in other speed swimming training (eg. Winter maintenance, Triclub, private coaching, etc.) as long as it does not exceed 2 hours/week.
- *Waterpolo and synchro training are not restricted.*
- B swimmers may swim in the A category for individual events
- B swimmers may swim in B or A category relays but may not swim in the same relay in both the A and B event. (Ex: A 200 Free Relay OR B 200 Free but not both).

Para Category *NEW INFO*

- Any Para swimmer **MUST** be officially classified to compete in this category for the provincial meet. See classes below as per SNC.
 - **Classes 1-10** – are allocated to swimmers with a physical disability
 - **Classes 11-13** – are allocated to swimmers with a visual disability
 - **Class 14** – is allocated to swimmers with an intellectual disability
- **Please contact** Janet Dunn at Swim Canada at classification@swimming.ca for more details.
- All the para swimmer classifications and their rule exceptions for the meet manager, electronics operator, and the officials is found here:
<https://www.swimming.ca/en/resources/para-swimming/para-swimming-classification/>
- Here's the link to request classification.
- <https://www.swimming.ca/en/resources/para-swimming/request-for-sport-class-form/>
- Swimmers in this category must compete at their zone meet but automatically qualify
- Swimmers in this category must compete at their zone meet but automatically qualify for the provincial championships in any event which they complete to a maximum of 4 events.
- While medals will be award to the first three finishers in EACH Para Category, in the interests of time, there will be one Para Event for each stroke and distance (ie: all Para swimmers will swim in the same race).
- There is no separate category for PARA relays.
- Swimmers with a disability may swim in the A or B categories but may not swim in the same stroke in two different categories (ex. 100 Fly A and 50 fly PARA).
- IPC Swimming Rules will apply to all PARA events.

Swim Academy Resolution:

At the BCSS AGM, a resolution to remove the section in the BC School Sports Handbook on Sport Specific Education Programs (i.e. swim academies) was carried. Therefore, each sports commission will make their own rules regarding the eligibility of high school sport academy athletes. Our commission is very pleased with this result. Swim academy athletes will now be allowed to participate in all levels of our sport in the A category only.

Championship Rules

1. All competitors must be registered with BC School Sports and meet BCSS eligibility rules. Any swimmer who is not registered faces disqualification and/or school fines.
2. The meet will use the one start Rule, and the relay rules.
3. Competitors must wear only one swimsuit. For boys, the suit shall not extend above the navel or below the knee. For girls, the suit shall not cover the neck, nor extend past the shoulder, nor extend below the knee. All swim suits shall be made from textile materials and have no zippers.
4. Each swimmer is limited to a total of 4 events. These events may be individual swims, relays or a combination. Listing as an alternate on a relay will count as one of the 4 events.
5. Speed swimmers must qualify through their Zone meet.
6. A swimmers may not compete in B events.
7. B swimmers may compete in A Category events both individual and relay events.
8. Each individual event will include a Championship Final (places 1-8) and a Consolation final (places 9-16).
9. Relays will include a championship final (1-8). When 16 or more teams swim in the heat, there will also be a consolation final (9-16).
10. Swimming has one Girls' Team Championship Banner, one Boys' Team Championship Banner, and one Combined Team Championship Banner.

Relay Rules

11. Any swimmer who swims at the zone meet is eligible to swim on a relay at the Provincial meet.
12. The make-up of a qualifying relay team may be changed between the zone meet and provincials, but not between heats & finals at the provincial meet (except to use a designated alternate). **Please provide the names of swimmers on your relay teams, including alternates** no later than 30 minutes before the start of the meet, but preferably with your entries. **The order on the relay card is the order that the swimmers MUST use in the race.**
13. A swimmer may not scratch an individual event at Provincials in order to move into a relay event. All individual events entered at the Provincial Meet will count as one of the 4 events allowed, whether the swimmer swims the individual event or not.
14. No more than 2 teams for each school will be allowed to enter a relay event.
15. Mixed relay events must include 2 boys and 2 girls
16. Mixed relay teams may be entered by combining 2 single gender schools.
17. A minimum qualifying time must be achieved for events 15 to 18 (400 Free relays). Open categories 6:30 minutes or better, B categories 6:30 or better.
