MIKE ALLINA

PRESIDENT, BC SCHOOL SPORTS

Welcome athletes, coaches, officials, volunteers, and parents to a new year of school sports. Your dedication and commitment to school sports is an integral element of quality educational programs. School sports play a significant role in establishing positive school cultures and healthy learning environments. Therefore, your involvement in school sports is extremely valuable to our student athletes, schools and communities.

The 2017-2018 year was full of accomplishments and successes. We celebrated all our BCSS championships in great style with a very high standard of athletic prowess. Congratulations and thanks to all our student-athletes, teachers, administrators, coaches and officials for a job well done. You are an inspiration to us all.

As I enter my second term as President, I am looking forward to continuing to build the strength of BCSS with the collaboration of all our stakeholders and partners. We have now established and accepted a Strategic Plan that will give BCSS direction for the next four to five years. We will be starting committee work in September and will continue to work hard to meet our objectives of implementing the various aspects of the Strategic plan for this coming school year.

BCSS is a self-governing and membership-driven organization. This year a great deal of work was done by the BCSS staff and members with respect to re-zoning the Lower Mainland and Fraser Valley to ensure that we address the issues surrounding how fast various districts are growing and how this impacts zone berthing to BCSS Provincial Championships. Most of our member schools participated throughout the eighteen month process. Many teachers and district coordinators participated in putting the final touches on the version that was brought forward to the membership and accepted at the 2018 AGM. The work we did this year was outstanding and BCSS will continue to work with greater transparency, purpose and collaboration.

I would like to acknowledge and thank the BCSS Board of Directors, committee members and office staff for their leadership, dedication, commitment and positive energy.

On behalf of the BC School Sports Board of Directors, I wish all of you continued success in the 2018-2019 school year.

JORDAN ABNEY

EXECUTIVE DIRECTOR, BC SCHOOL SPORTS

On behalf of the dedicated staff and volunteers at BC School Sports, it is my pleasure to welcome you to the 2018-19 school year. We are excited to see gymnasiums, fields and arenas filling as the calendar turns to September.

To our student-athletes participating in BCSS sports across British Columbia, we wish you the best of luck this year. We look forward to providing the best experience that educational-athletics can provide. We believe that school sport develops the whole person, and the life lessons that only sport teaches, help shape the citizens and leaders of tomorrow.

To our teachers and community leaders who generously give hours of their time and expertise to supporting our student-athletes, I say thank you! You are the heart of our school sport community and without your dedication and selflessness, none of this would happen. Let me remind you, we also have the highest expectations and standards for our coaches and volunteers; you are the role models for our youth. It is imperative you demonstrate fair play, sportsmanship and goodwill each and every day. It is a tremendous responsibility and privilege to shape the lives of our youth.

To our school Athletic Directors, there isn't a more thankless job in education or sport. You give so much, and receive so little for the countless hours you put in. The list of responsibilities is never ending, and you continue ensuring coaches are educated, fields are booked, players are registered, officials are requested, and shot clocks are functioning on behalf of your school. Your role is endless, and you do it with such commitment and passion. Thank You!

Lastly, I would like to thank the Board of Directors and our committee volunteers. It is a tireless and thankless job; the Board has provided great stewardship and leadership for the organization this past year and we look forward to moving forward in pursuit of achieving our new strategic plan, and demonstrating our organizational values each and every day.

Good luck to all of you, and best wishes to your school and teams throughout the year.

This information is taken from the following website for all member schools: <http://www.bced.gov.bc.ca>. Included in the headcount are all full-time students in grades eight (8) through twelve (12), plus the ungraded students at the secondary level. 2018-2019 membership fees per school population category are:

The Legal Contingency Fund will be maintained at about \$50,000 with annual surcharges being added to membership fees as required.

7.0.0 GRANTS TO COMMISSIONS

7.1.0 CALCULATION OF GRANTS

- 7.1.1 BC School Sports will make annual financial grants to each sport commission. The commission grant amount will be calculated as a multiple of the number of BCSS registered participants for that sport.
- 7.1.2 BC School Sports will remove all funding to any sport commission that does not file complete financial statements to determine if the fees allocated to schools participating in BC championships are fair and equitable (see 10.1.2 and 10.1.3 for a complete list of sport commission responsibilities).

7.2.0 **DISTRIBUTION OF GRANTS** - The grants will be distributed to each commission as per the following calendar:

- Fall Sports – October of each year,
- Winter Sports – December of each year,
- Spring Sports – January of each year.

Sport commissions can apply for an increase in the commission grant by submitting an application to the Board of Directors in January for the next school year. Rationale for the increase and financial statements for the commission and from the sport-specific tournaments for the previous two (2) years must accompany the application (i.e. apply in January 2019 for membership year 2019-2020).

8.0.0 FINES COLLECTED FOR VIOLATIONS OF BC SCHOOL SPORTS POLICIES

- 8.1.0** The money collected by BC School Sports from member schools fined in accordance with the approved disciplinary procedures will be allocated as follows:
- 8.1.1 Fifty percent (50%) of fine revenue will be directed to operating revenue, specifically targeted to offset the costs of the Eligibility Officer, the Eligibility Appeals Committee and the Disciplinary Committee of BC School Sports. Education information and session for coaches, re: the eligibility policies, will also be noted as a possible expenditure item.
- 8.1.2 Fifty percent (50%) of fine revenue will be directed to a line item established for BC School Sports student-athlete scholarships. COMPETITIVE RULES AND REGULATIONS

Note: BCSS recognizes that the administrator of each school is held ultimately responsible in all matters in his/her school which concern interscholastic athletic contests. The expectation of the association is that administrators will ensure that BCSS policies established for member school interscholastic athletics will be followed by his/her staff. The following Competitive Rules and Regulations have been accepted and passed as resolutions at an Annual General Meeting by the member schools of BCSS. The membership consists of a school representative from each of the BCSS member schools.

18.0.0 MEMBER SCHOOL ATHLETIC PROGRAM GUIDELINES FOR INTERSCHOOL COMPETITION

- 18.1.0** Contribute toward the improvement of the health, fitness and general welfare of all individuals taking part in the program.
- 18.2.0** Engage a maximum number of students in both the activity and administrative areas of the program.
- 18.3.0** Encourage all student-athletes to make a contribution to the general education program of the school.
- 18.4.0** Encourage all student-athletes to reach their full academic and educational potential.
- 18.5.0** Ensure that loss of instructional time be kept to a minimum while offering appropriate competitive opportunities.
- 18.6.0** Ensure that the safety and welfare of all student-athletes should always be paramount. Adequate protective equipment, safety precautions and risk management policies should be utilized for all practices, training sessions and interschool competitions.
- 18.7.0** Recommend that each student-athlete have an annual medical examination prior to participating during that school year.
- 18.8.0** Recommend that each student-athlete and parent or legal guardian be advised to carry appropriate insurance coverage.
- 18.9.0** Promote the highest ideals of fair play by coaches, student-athletes, students and spectators in accordance with the BCSS Codes of Conduct.
- 18.10.0** Encourage coaches to report unsportsmanlike conduct and misbehavior to the school administrator and local athletic association as soon as possible.
- 18.11.0** Aim for equal opportunities in athletic programming for boys and girls, having regard to factors including: funding, equipment, facilities, practice and competition time, coaching demand, available competition, and the range of sports offered.

Field Hockey (Girls)	Mountain Biking

20.0.0 COMMUNITY COACH GUIDELINES

- 20.1.0** BCSS understands that community coaches are integral to the school sport system, and that they are necessary to ensure further opportunities for student-athletes. Recognized athletic associations, member schools and/or school districts are encouraged to adopt the following guidelines to ensure that the philosophy, objectives and values of the BCSS system are maintained.
- 20.2.0** Community coaches should complete the Community Coaches Application Form and submit copies to both the athletic director and school administrator. The form will enable school representatives to start determining the qualifications and suitability of the prospective community coach to supervise and coach student-athletes of school age, and to receive from the prospective community coach authorization to conduct a criminal record check.
- 20.3.0** It is strongly recommended that the community coach should complete the three (3) modules included in the Introduction to Competition course of the National Coaching Certification Program. These modules include: Making Ethical Decisions, Planning a Practice, and Nutrition. Coaches should also complete the Making Ethical Decisions online evaluation available through the Coaching Association of Canada website once they have completed the appropriate in-class course work for this respective module.
- 20.4.0** The school administrator and/or athletic director should meet with each prospective community coach to discuss school athletic policy and school sport philosophy, ensuring that the coach understands:
- 20.4.1 The expectations for the supervision of student-athletes;
- 20.4.2 Emergency protocol within the school;
- 20.4.3 Accountability for equipment, uniforms, finances;

- 20.4.4 Competition schedules and deadlines;
- 20.4.5 Practice times, restrictions, policies and access;
- 20.4.6 School and/or district travel policies and insurance requirements;
- 20.4.7 The BCSS Coach's Code of Conduct and procedures;
- 20.4.8 The BCSS Competitive Rules and Regulations;
- 20.4.9 The decision-making process and jurisdictional boundaries of the school, school district, athletic association, sport commission and BCSS;
- 20.4.10 Required paperwork for team and student-athlete registration and entry into events; and
- 20.4.11 How and where to register for NCCP clinics.
- 20.5.0** The school administrator and/or athletic director should request and check at least two (2) references for each community coach candidate. Reference checks should include questions about previous conduct, suspensions or probationary penalties served, technical skill and ability, age group and/or gender previously coached and degree of commitment and interest.
- 20.6.0** The school administrator and/or athletic director should undertake a criminal records check on the prospective community coach, looking for convictions under the Criminal Code of Canada, the Narcotics Control Act and the Food and Drugs Act.
- 20.7.0** -The BCSS supervision requirements (see 21.1.0) do not require that a teacher-sponsor be present with adults who have been approved by the school administrator. It is therefore strongly recommended that periodic observations of the community coach at practice and in competition be conducted by the athletic director and/or administrator.

Note:

- (a) There may be a nominal cost to conduct a Criminal Record Check. It is recommended that this be the responsibility of the school or school district.
- (b) The National Coaching Certification Program (NCCP) has been designed to meet the needs of coaches who are training athletes in specific contexts and is based on the required outcomes relevant to the athletes they are coaching in these contexts. In this paradigm, coaches who are training athletes within a competitive environment will be trained and certified in the Competition Stream. Within this specific stream, coaches will be trained and certified in either the Introduction context, Developmental context, or the High Performance context, depending on the outcomes relevant to the athletes they will be coaching. Each sport will have their own specific requirements a coach must attain in order to meet either the trained status, or the certified status. Please contact your provincial sport organization to determine what your specific NCCP coaching requirements may be for your sport. Specific details on the NCCP program for your respective sport can be found on the Coaching Association of Canada website at www.coach.ca.

21.0.0 SUPERVISION REQUIREMENTS

- 21.1.0** The school team must be accompanied by a teacher-coach, teacher-sponsor, administrator or responsible adult approved by the administrator, and in accordance with the applicable school district policy. The school administrator must ensure that the supervisor adheres to the athletic program objectives, Guidelines for Community Coaches and Coach's Code of Conduct as outlined in the BCSS handbook. The competition official and coordinator must be aware of who the adult supervisor is if that supervisor is a different individual than the coach. The supervisor must be in attendance for the duration of the competition.

22.0.0 SCHOOL STANDARDS

- 22.1.0** Student-athletes must live up to the accepted school and district standards as judged by the school administrator.

23.0.0 JOB ACTION

- 23.1.0** BCSS believes that student-athletes and their participation in extracurricular activities should be free from political interference; however, the reality is that the majority of teacher-coaches are members of the BCTF and are bound by their professional obligations. In the event of a province-wide strike or job action, the BCSS Board of Directors will make a determination on whether or not league competition and championship play will continue and communicate this decision in a timely fashion. Safety of athletes and competitive balance will be guiding factors in the decision. Commissions, local athletic associations and superintendents will be consulted. If it is determined that the safety of student-athletes or the competitive integrity of league competition or championship play will be affected, the Board of Directors shall suspend all competition. Public school teams that continue to practice or play during this period of suspension will not be supported by BCSS.

24.0.0 COACHES RESPONSIBILITIES

- 24.1.0 RECRUITING** – BCSS is strongly opposed to the recruiting of student-athletes. Recruiting runs contrary to BCSS's longstanding commitment to the principle that interschool athletic competition best serves the overall interests of student-athletes by being fair and balanced.
- 24.1.1 A coach, administrator, athletic director or athletic coordinator shall neither directly nor indirectly, recruit a student-athlete.
- 24.1.2 For the purposes of these Competitive Rules and Regulations, to recruit is to encourage a student-athlete to attend a school other than the school into which the student-athlete's school feeds, for the purpose of participating in interschool sport, whether or not the student-athlete eventually attends the school.
- 24.1.3 Without limiting the generality of 24.1.2, the following are deemed to be instances of recruiting:

- 24.1.3.1 Permitting a student-athlete who is not enrolled at a given school or whose current school does not feed into the school to participate in:
 - a) Team practices, workouts, camps, competition, meetings, travel, or other team activities; or
 - b) Open gyms, workouts, or similar activities intended for student-athletes enrolled at the school, without the prior agreement of the student-athlete's current school.
- 24.1.3.2 Offering financial inducements or incentives of any kind, including, without restricting the foregoing, inducements or incentives concerning fees, accommodation or transportation, to a student-athlete who is not enrolled at a given school or whose current school does not feed into the school, in connection with a transfer by the student-athlete to the school for the purpose of participating in interschool sport;
- 24.1.3.3 Encouraging a parent or legal guardian of a student-athlete who is not enrolled at a given school or whose current school does not feed into the school, to transfer the student-athlete to the school for the purpose of participating in interschool sport; or
- 24.1.3.4 Inviting student-athletes who are not enrolled at a given school or whose school does not feed into the school, or the parents or legal guardians of such student-athletes, to attend an information session, open house, fundraising meeting, or similar event of which the primary purpose is the promotion of the school's interschool athletic team(s) or program(s).
- 24.1.4 Where a coach is approached by a student-athlete who is not enrolled at the coach's school or at a school feeding into the coach's school with inquiries concerning the school's sports teams or programs, the coach is strongly advised to direct the student-athlete to the school administration.

24.2.0 PROCEDURE FOR COMPLAINTS REGARDING RECRUITING – Nothing in these Competitive Rules and Regulations prevents parties from attempting at any time to resolve complaints regarding recruiting through informal means, whether with or without the assistance of a mediator. BCSS may maintain a roster of persons available to act as mediators for the purpose of assisting parties informally to resolve complaints regarding recruiting. A member coach who is a member of a professional association and who believes a fellow member of that association has committed a recruiting violation is encouraged to consider his/her obligations to the fellow member, if any, under the rules of that association. In all cases, BCSS encourages the informal resolution of recruiting concerns through direct communication.

- 24.2.1 A complaint regarding recruiting may:
 - 24.2.1.1 Be filed only by an administrator ("the complainant") of a member school;
 - 24.2.1.2 Be filed against one or more coaches, administrators, athletic directors, or athletic coordinators ("the respondents") of a member school.
- 24.2.2 Subject to 24.2.3, a complaint regarding recruiting shall not be considered unless it is received by BCSS within four (4) months of the event giving rise to the complaint.
- 24.2.3 A complaint received after the time provided in 24.2.2 must contain a detailed explanation of the reasons why the complaint was not submitted within that time and may only be considered if, in the sole discretion of the Executive Director, it would be in the interests of BCSS for the complaint to be considered.
- 24.2.4 Before submitting a complaint to BCSS, the complainant must deliver the complaint to his/her administrative counterpart at the school of the respondent(s).
- 24.2.5 In submitting a complaint to BCSS, the complainant must certify in writing that he or she has contacted his/her counterpart, naming the counterpart, and that:
 - 24.2.5.1 The parties have been unable to resolve the complaint; or
 - 24.2.5.2 In the complainant's opinion, the complaint is sufficiently serious to warrant a hearing by BCSS.
- 24.2.6 A complaint delivered or submitted under these Competitive Rules and Regulations must be submitted to the Executive Director and must:
 - 24.2.6.1 Be in the form approved by BCSS;
 - 24.2.6.2 Name the respondent(s);
 - 24.2.6.3 Where a deemed instance of recruiting is alleged, cite the specific deeming section under 24.1.3;
 - 24.2.6.4 Contain particulars of the date(s), location(s), and individual(s) involved in the event(s) giving rise to the complaint;
 - 24.2.6.5 Contain particulars of the alleged statement(s) or action(s) of the respondent(s); and
 - 24.2.6.6 Contain a written statement with as much detail as reasonably possible by each person whose evidence the complainant wishes BCSS to consider in connection with the complaint.
- 24.2.7 Upon receipt of a complaint, the Executive Director shall review the complaint for compliance with these Competitive Rules and Regulations. The Executive Director may make inquiries of the complainant and may request that the complainant submit additional information.

- 24.2.8 The Executive Director may at any time dismiss a complaint where he/she is of the opinion that:
 - 24.2.8.1 The complaint does not fall within the jurisdiction of BCSS;
 - 24.2.8.2 The complaint does not contain sufficient information that, if true, would substantiate the complaint;
 - 24.2.8.3 The complainant failed to respond to the Executive Director's inquiries or requests under 24.2.7; or
 - 24.2.8.4 The complaint is frivolous, vexatious or made in bad faith.
- 24.2.9 Unless the Executive Director dismisses a complaint under Competitive Rules and Regulations, he/she shall deliver the complaint to the respondent(s) and to the administrator at the respondent(s)'s school referred to in 24.2.5, together with a statement of the respondent(s)'s obligations under Competitive Rules and Regulations.
- 24.2.10 Within fifteen (15) school days of receipt of the complaint from the Executive Director, the respondent(s) shall submit a response to the Executive Director containing the following:
 - 24.2.10.1 A statement either that the respondent(s) accepts or denies the complaint in whole or in part; and
 - 24.2.10.2 Where the respondent(s) denies the complaint or any part of it, a written statement with as much detail as reasonably possible by each person whose evidence the respondent(s) wishes BCSS to consider in connection with the complaint.
- 24.2.11 The Executive Director may make inquiries of the respondent(s) and may request that the respondent(s) submit additional information.
- 24.2.12 The respondent(s) may request from the Executive Director an extension of the time allowed for a response under 24.2.10.
- 24.2.13 Where the respondent(s) fails to provide a response within the time provided under 24.2.10 or 24.2.12, the complaint may proceed under 24.2.19 on the basis that the complaint has been proven.
- 24.2.14 Upon receipt of a response from the respondent(s) or upon the expiry of the time provided for a response, the Executive Director shall deliver a copy of the response, if any, to the complainant and shall appoint a Hearing Panel comprised of three (3) members of the BCSS Disciplinary Committee. If it is not possible to appoint three (3) members from the Disciplinary Committee, the Executive Director may appoint members from the BCSS Board of Directors.
- 24.2.15 The Hearing Panel may request written submissions from the parties at any time.
- 24.2.16 The Hearing Panel shall conduct a hearing into the complaint. A hearing may take the form of one or more of the following in the sole discretion of the Hearing Panel:
 - 24.2.16.1 A hearing in writing consisting of a consideration of the written complaint and response and written submissions, if any;
 - 24.2.16.2 A teleconference; or
 - 24.2.16.3 An oral hearing.
- 24.2.17 The Hearing Panel may make such rulings and give such directions as it considers appropriate in dealing with a complaint.
- 24.2.18 Following the hearing, the Hearing Panel will issue a ruling to the parties determining whether the complaint has been proven or not.
- 24.2.19 If the Hearing Panel determines that the complaint has been proven:
 - 24.2.19.1 The ruling shall be in writing and shall contain a brief summary of the reasons for the Hearing Panel's conclusions;
 - 24.2.19.2 The Hearing Panel shall request and set a schedule for the exchange and submission of written submissions on the appropriate sanction;
 - 24.2.19.3 Having regard to the subject matter of the proven complaint, the interests of BCSS and its participants, the written submissions, if any, of the parties, and the prior BCSS disciplinary record of the respondent(s), if any, the Hearing Panel shall either impose no sanction or impose one or more of the following sanctions on the respondent(s) in its sole discretion:
 - a) A letter of reprimand;
 - b) A probationary period; or
 - c) A suspension of the respondent(s)'s coaching privileges for a duration and on such terms and conditions as may be determined by the Hearing Panel, and

 - a) \$1,000 if no recruiting fine against school in past five (5) years;
 - b) \$2,000 if one (1) recruiting fine against school in past five (5) years; or

- c) \$3,000 if more than one (1) recruiting fine against school in past five (5) years.

- 24.2.20 Where a Hearing Panel acts under 24.2.19.3 a) to c), the respondent(s) may, within fourteen (14) school days of receipt of the ruling of the Hearing Panel by the respondent(s)'s school, appeal in writing to the BCSS President, who may in his/her sole discretion and with or without a hearing and with or without giving reasons dismiss the appeal, reduce the sanction under 24.2.19.3, or reverse the Hearing Panel's ruling, in whole or in part, under 24.2.19.1.
- 24.2.21 Where the Executive Director is unable to act under this section, his/her powers and duties may be exercised by a substitute appointed by the President.
- 24.2.22 Where the President is unable to act under this section, his/her powers and duties may be exercised by a substitute appointed by the Executive Director.
- 24.2.23 The decisions of the Executive Director (or substitute), the Hearing Panel and the President (or substitute) are final and binding on the parties and shall not be questioned or reviewed in any court or tribunal, and no order shall be made or process entered or proceeding taken in any court or tribunal whether by way of injunction, declaration, prohibition or otherwise to question, review, prohibit or restrain the proceedings. It is the intention of BCSS and its members that, to the extent permitted by law, all matters concerning its Competitive Rules and Regulations be private matters not subject to any form of adjudication by any court or tribunal.

30.0.0 STUDENT-ATHLETE ELIGIBILITY

- 30.1.0** BCSS recognizes the right of all student-athletes to choose which school they attend and which subjects they study. BCSS, however, is charged with the responsibility of drafting, implementing and enforcing rules on eligibility for those student-athletes who seek the privilege of participating in interschool competition. The overriding purpose of these rules is to ensure fair and equitable competition for all student-athletes participating in BCSS activity. Individual student-athletes must meet the applicable eligibility requirements of BCSS and any applicable sport commission gender-based equity rule to participate in BCSS activity, and be listed on the appropriate STARS roster to be eligible for competition.
- 30.2.0 REGISTRATION OF ELIGIBLE STUDENT-ATHLETES** – Prior to participating in competition of a BCSS activity, the member school is responsible for ensuring that any:
- Student-athletes are eligible as per the entirety of the Competitive Rules and Regulations;
 - Student-athletes are registered on the applicable STARS roster by published deadlines; and
 - Student-athletes have not competed in more than one (1) interscholastic season of play per sport each year as defined by BCSS.

31.0.0 STUDENT-ATHLETES REGISTERED AT AND COMPETING FOR A MEMBER SCHOOL

- 31.1.0** A student-athlete can only play for the member school at which they are registered. Student-athletes must be in grades eight (8) to twelve (12) at a BCSS member school in order to compete in any BCSS competition.
- 31.1.1 An individual student-athlete is only eligible to compete in one (1) thirteen (13) week sanctioned season of play per sport in each school year.
- 31.2.0 STUDENT-ATHLETES REGISTERED AT MORE THAN ONE (1) MEMBER SCHOOL**
- If a student-athlete is registered at two (2) schools, the student-athlete may only participate in BCSS activities for the member school at which the student-athlete has the largest percentage of the credit load.
 - If the credit load at the two (2) member schools is equal, the school at which the student-athlete was first registered at in a BCSS activity would be considered their home school.
 - If, at any time after the student-athlete’s home school has been established, the member school at which the student-athlete is enrolled in the majority of his/her credit load changes, the school which now has the majority of course load, must establish eligibility by meeting the conditions outlined in 39.0.0.

- 31.3.0 FULL-TIME STUDENT-ATHLETE STATUS** - A student athlete must be enrolled in and attending a minimum of a sixty-two and a half percent (62.5%) course load. A one hundred percent (100%) course load is defined as thirty two (32) credits or eight (8) standard courses.

 - 31.3.3 Student-athletes who complete graduation requirements during the current school year and continue to take courses, will remain eligible, should they continue to meet all other eligibility requirements.

32.0.0 STUDENT-ATHLETE AGE AND COMPETITIVE LEVELS

32.1.0 Student-Athlete Age & Competitive Levels

To be age-eligible to compete in competition of a BCSS activity student-athletes must meet both the age and grade eight (8) entry dates as outlined below:

A grade seven (7) eligibility application can be made to the Eligibility Officer for an exemption to allow a grade seven (7) student-athlete to play for a grade eight (8) or bantam team where the member school would not otherwise be able to field a team due to insufficient numbers.

- 32.2.1 The Eligibility Officer will review the grade seven (7) eligibility application to ensure that all of the following conditions are met:
- 32.2.1.1 Grade seven (7) student-athletes must be registered as a student at the school applying for the exemption;

 - 32.2.1.5 Grade seven (7) student-athletes being allowed to participate in a grade eight (8) or bantam level team is to allow a member school to field a grade eight (8) or bantam level team which otherwise would not happen due to an insufficient number of grade (8) student-athletes wanting to participate;
 - 32.2.1.6 The number of grade seven (7) student-athletes on the given team must not exceed the number of grade eight (8) or bantam level student-athletes; and
 - 32.2.1.7 The maximum number of student-athletes on the given team must not exceed the BCSS minimum numbers required to field the team (see 27.5.0).

32.3.0 INDIVIDUAL STUDENT-ATHLETES PLAYING UP TO A MORE SENIOR SCHOOL’S TEAM – Middle/Junior member school athletes whose feeder school (senior school) has a Membership Category of five (5) or higher can apply to “play up” to the senior member school that they would normally attend if, by the roster registration deadline (see 27.3.0), they have approval of both member schools’ administrators, athletic directors, students, and parents(s) or legal guardian(s). The middle/junior school must be a member in good

standing. The local athletic association, the district superintendent, and BCSS must be notified by using the appropriate form. Senior member schools must not register these student-athletes in STARS as an enrollee of their school. BCSS will place the middle/junior school student-athletes on the senior member schools STARS team roster when the form is received and approved. Any student-athletes not properly registered will be deemed ineligible.

32.3.1 **LIMITS TO PLAYING/MOVING UP** – Student-athletes attending a middle school or junior secondary school cannot play or move up in the sports of aquatics, cross country, gymnastics, mountain biking, skiing/snowboarding, track and field, or wrestling as the minimum number to form a school team in these sports are one (1) athlete.

32.3.2 The exemption to this rule is football whereby student-athletes registered on a lower level team may play for the higher level team at the same time without restriction during playoffs.

32.4.0 MOVEMENT BETWEEN TEAMS – A registered student-athlete may play up to a more senior team during league play without restriction on the number of days. Once the player has participated in playoffs, any competition following the conclusion of the regular season. The player must stay up with the more senior team and a Moving Player to a Higher Age-Group Team form must be completed in STARS. Once approved, the student will be registered with the more senior team for the remainder of that season.

32.4.1 If a school registers two (2) or more teams in the same age group in the same sport, there will not be any movement between those two (2) teams for competition.

32.4.2 Football is exempt from 32.4.0. Any registered student-athlete within the Football Commission may play up to a more senior team during playoffs without restriction - including playing for both teams during the playoffs, provided that the student-athlete playing up on the more senior team is registered on a lower level team. No student-athlete registered on a senior team with BCSS may play down at a lower level.

32.5.0 INDIVIDUAL STUDENT-ATHLETES MOVING UP AT THE END OF THEIR AGE GROUP SEASON – A student-athlete who is otherwise eligible and is registered on one (1) of the school teams in the same sport, or is eligible as per 32.3.0, may join the more senior team in that sport after the completion of the lower age level team's league competition and playoff schedule. The student-athlete must be added to the appropriate STARS roster for the more senior team before competing. The addition of the student-athlete is made by notification in STARS to the BCSS office with the student-athletes name, the name of the team on which they were originally registered and the team they would like to move up to (submission in STARS - Moving Up Form).

33.0.0 NUMBER OF YEARS OF ELIGIBILITY

33.1.0 FIVE (5) YEARS ELIGIBILITY – Student-athletes have five (5) consecutive years of BCSS competition eligibility, starting on the entry date into grade eight (8). A year is considered to be the twelve (12) month period between September of one (1) school year and September of the next school year.

33.1.1 **IF A STUDENT-ATHLETE DOESN'T PARTICIPATE** – If a student-athlete chooses not to participate during one (1) or more years of the five (5) year period, or is not on a team roster during one (1) or more years of the five (5) year period, or leaves school (withdraws) for a time period during the five (5) year eligibility time period, that time period will still count toward the five (5) years of eligibility.

33.1.2 **UNGRADED STUDENT-ATHLETES** – For ungraded student-athletes in schools where it is difficult to determine when a student-athlete entered grade eight (8) (e.g. middle school, K-10, K-12 schools), the student-athlete will be considered to be a grade eight (8) student-athlete in the school year commencing in September of the calendar year in which the student-athlete becomes thirteen (13) years of age.

33.1.3 **EXTENSION OF FIVE (5) YEARS OF ELIGIBILITY DUE TO LOST SCHOOL FOR MEDICAL REASONS** – If a significant portion of a school year is lost due to illness or accident, the member school may submit an eligibility application on the student-athlete's behalf to have up to one (1) year of eligibility restored (See 40.0.0). Medical documentation must show that the loss of an academic year due to medical reasons resulted in the student-athlete having to repeat a grade and prevented the standard five (5) year progression through school. The eligibility time restored will not include any seasons of play in which the student-athlete had been enrolled in school during the academic school year in question. The eligibility application must include medical documentation, academic records and absentee records for the school(s). No student-athlete will be granted a sixth (6th) year of eligibility in any sport he/she has already participated in for part or all of five (5) seasons. Nor will that student-athlete be granted a sixth (6th) year of eligibility if they have participated in any part of both a fourth (4th) and fifth (5th) year of eligibility.

33.1.4 **ELIGIBILITY FOR FAMILIES MOVING TO BRITISH COLUMBIA** – A student-athlete whose family is coming into British Columbia from another province or another country is eligible for five (5) years from their date of entry into grade eight (8) or the grade eight (8) equivalent in their previous place(s) of residence. If documentation is unavailable, a combination of age and grade level as determined by the school will determine the student-athlete's year of eligibility.

33.1.5 **RETURNING EXCHANGE STUDENT-ATHLETE** – A BC student-athlete who is returning to British Columbia after conclusion of a one (1) year or less outgoing student exchange program, and who has concluded their eligibility calendar in accordance with 33.0.0, may have up to one (1) year of eligibility restored only if all of the following conditions are met:

33.1.5.2 The student-athlete is returning to the same BCSS member school that they attended prior to leaving on the exchange program;

33.1.5.3 The student-athlete does not participate in any BCSS competition in BCSS approved sports in which the student-athlete participated in interschool and/or club competition while on the exchange;

33.1.5.4 The student-athlete meets all other eligibility requirements; and

33.1.5.5 A letter from the administrator confirming compliance with 33.1.5.1-33.1.5.4 is required.

34.0.0 RESIDENCY REQUIREMENT

The residency rule is intended to create an equitable environment in which its member schools can compete, and at the same time prevent those abuses that taint the goals on inter-scholastic athletics. Primarily the residency rule is intended to prevent athletic recruiting, prevent students from choosing schools for athletic reasons, and to promote families as the best environment for students to live while attending school. Deterring students from avoiding imposed discipline, protecting school programs by discouraging athletic transfers and protecting the opportunities for bonafide resident students to participate are also reasons for the residence rule.

34.1.0 Student-Athletes Must Fulfill One of the Following Residency Requirements

34.1.1 Reside with parent(s) in BC;

34.1.2 Reside with a legal guardian (see Definitions) in BC. Guardianship must have been in place for twelve (12) months prior to the period for which eligibility is sought.

34.1.3 Must be a 'Ward of the Province of BC' and assigned to an individual or family by the Ministry of Children and Family Development.

34.2.0 Any student-athlete who does not meet the residency requirements is fully ineligible for a period of twelve (12) months from the date they seek eligibility. At the completion of the twelve (12) months the student-athlete will become eligible if they meet the following:

34.2.1 The student-athlete maintains the same address and living situation throughout the twelve (12) months; and

34.2.2 The student-athlete must meet all other eligibility requirements as per the entirety of the Competitive Rules and Regulations.

35.0.0 JOINTLY SPONSORED TEAMS

35.1.0 BCSS believes there is merit in allowing student-athletes to participate in sports programs that are not offered at their home school due to low student enrollments and insufficient numbers. The goal of allowing joint teams is to increase the number of student-athletes that participate in activities.

35.2.0 Two (2) or more member schools may make an application for a Joint Team. If approved student-athletes from those member schools will be able to participate together on the joint team.

35.3.0 Each Application must be made only for team sports and be submitted to the BCSS Office. The application shall:

35.3.1 Be made with regard to member schools that are located in the same local association;

35.3.2 Indicate which specific team sport; and

35.3.3 Include acknowledgement and support from the member schools' administration and local association president.

35.4.0 To maintain the competitive balance and ensure a fair field of play, a joint school team may be approved but the ability for the team to compete in playoffs, zones and championships may be restricted based on the following:

35.4.1 Member schools who join together and have a combined "category" total of 11 or higher as found in Membership Fees (6.1.0) are eligible to compete in all competition in a BCSS activity (playoffs, zones and provincials);

35.4.2 Member schools who join together and have a combined "category" total of 10 or lower in the Membership Fees Categories (6.1.0) are not eligible to compete in any post season competition beyond a local or Tier II championship in BCSS activity.

35.5.0 The tiering classification of the joint team will be determined by combining the appropriate tiering numbers of the two (2) or more schools forming the joint team.

35.6.0 A joint team may be terminated by written request, before the expiry of the requested time period in the following cases:

35.6.1 Closure of one (1) of the participating schools;

35.6.2 Serious breach of the Bylaws, Policies or Rules and Regulations of BCSS of any of the participants; or

35.6.3 When, it is in the best interests of the student athletes of one (1) or more schools.

35.7.0 The decision is final and conclusive and shall not be appealed or reviewed in any manner.

Both female and male student-athletes may compete on a team designated as a coed sport, in accordance with the sport-specific roster allocations.
- 36.2.0** Notwithstanding 36.1.0, a student-athlete may be permitted to participate in a sex-segregated sport inconsistent with his/her sex in the following circumstances:
- 36.2.1 A female student-athlete may play on a boys' team if her school will not offer a girls' team in that sport (in a recognized BCSS activity or not) at the appropriate age level during the same school year. A letter from the administrator confirming a girls' team will not be offered must be sent into the BCSS office. If a female student-athlete plays on the appropriate age level boys' team, she may not play on the more senior girls' team in a different season of play during the same school year.
- 36.2.2 A student-athlete may participate with the opposite sex in a sex-segregated sport on the basis that doing so would be consistent with his/her gender identity if the student-athlete's application under 36.3.0 is granted.
- 36.3.0** A student-athlete seeking eligibility pursuant to 36.2.2 must make an application to the Eligibility Officer.
- 36.3.1 Each application under 36.2.2 must include the following:
- 36.3.1.1 A written statement from the student-athlete and/or parent or guardian documenting a student-athlete's consistent gender identification with the opposite sex;
- 36.3.1.2 A professional opinion concerning the student-athlete's gender identity from a physician, psychiatrist, psychologist or other professional with experience in gender identity health care; and
- 36.3.1.3 Any other information or documentation that may be pertinent to the Eligibility Officer's decision and the application of the factors set out in 36.2.2.

- 36.3.2.2 The importance of fair and equitable competition for all students participating in the sport in which the student is applying to participate;
- 36.3.2.3 Existing practices regarding female student-athletes' participation on boys teams, as per 36.2.2, are to be preserved; and
- 36.3.2.4 An environment where intersex, transitioning and transgender students can exist and thrive should be provided.
- 36.3.3 The Eligibility Officer's decision is final and conclusive and shall not be appealed or judicially reviewed.
- 36.3.4 Once a student-athlete has been granted eligibility under 36.3.0, his/her eligibility shall be effective for the duration of the student-athlete's participation in the sport and does not need to be renewed every sport season or school year.
- 36.4.0** If there is a conflict between 36.1.0 or 36.2.1 and a bylaw, rule or similar provision of a sport commission, the bylaw, rule or similar provision prevails.

37.0.0 HOME STUDY, DISTRIBUTED LEARNING, AND ALTERNATE SCHOOL STUDENT-ATHLETES

- 37.1.0** Home study and alternate school student-athletes may compete in BCSS competition provided that:

39.0.0 STUDENT-ATHLETE TRANSFERS

39.1.0 Transfer occurs whenever a student-athlete who is registered at any school (within or outside of BC) transfers and is registered at a different school. A transferring student-athlete who competes on a team at the new school changes the competitive balance that would have been in place prior to the transfer. Consequently, the BCSS membership has developed regulations governing the eligibility of student-athletes who transfer schools and wish to participate in extracurricular school sport .

39.2.0 FIVE (5) YEARS OF ELIGIBILITY – A student-athlete has five (5) consecutive years of athletic eligibility that begins on their first (1st) day of grade 8.

39.3.0 ESTABLISHING A STUDENT-ATHLETE’S HOME SCHOOL – A student-athlete’s eligibility is tied to their home school. Any subsequent school transfers after it is established are subject to the transfer rules established by BCSS. The student-athlete’s home school will be established at the member school at which:

39.3.1 A student-athlete plays up to a Senior School (32.3.0) and is listed on a grade nine, junior or senior team roster OR;

39.3.2 The student-athlete registers on the first (1st) day of their second year of eligibility (grade 9).

NOTE: *If a student-athlete participates on or plays up to a senior school and is registered only on a Grade 8 roster, this does NOT establish a home school.*

39.4.0 TRANSFERS – Subject to 40.0.0, a student-athlete who transfers after a home school has been established, is ineligible for a period of twelve (12) months from the date of transfer. Student-athletes are ineligible to participate in any competition in a BCSS activity in which he/she was registered at for the previous twelve (12) month prior to the date of transfer unless one (1) of the conditions in 39.6.0-39.18.0 is satisfied.

39.4.1 A compliance and authorization form must be signed and submitted by the principal and athletic director of the receiving school and the student-athletes parent(s) or legal guardian(s) for the transfer to be completed.

39.4.2 A student-athlete who transfers from one school to another school shall not have the right to subsequently transfer to a second school or to subsequently transfer back to his/her original school and still be eligible for competition in a BCSS activity in the same academic year, without an Eligibility Application.

39.4.3 A member school may only submit one school declaration or eligibility application per academic school year per student-athlete.

NOTE: *For middle school and junior secondary students who will feed into a more senior school, that school will be deemed their home school as the student advances into the more senior grades.*

39.5.0 STUDENT-ATHLETE TRANSFER TO PREP/ELITE SCHOOL PROGRAMS – A student-athlete who transfers from their home school to a prep/elite team within or affiliated with a school, and returns to his/her home school, or any other BCSS member school, is considered to have participated in that sport and must seek eligibility through 40.0.0. as a transfer student. Members of a school prep/elite team are considered to have participated in competition of a BCSS activity.

39.6.0 STUDENT-ATHLETE ADVANCING TO A MORE SENIOR SCHOOL

39.6.1 A student-athlete graduating from a middle school or junior secondary school may proceed to the school into which his/her middle school or junior secondary school normally feeds, without any restrictions.

39.6.2 If the student-athlete attended a non-public school not offering senior grades, this student-athlete can transfer to a similar non-public school offering senior grades, providing the receiving school is the next closest similar non-public school geographically to where the student-athlete lives. The student-athlete can also advance to a public school offering senior grades, as per the normal catchment boundaries of the school district in which the student-athlete resides.

39.7.0 NEW SCHOOL CONSTRUCTED, SCHOOL DISTRICT RE-ORGANIZED OR SCHOOL IS CLOSED – School districts and/or schools must apply for approval from the BCSS office prior to any student-athlete being eligible. A complete list of those student-athletes impacted must be provided to BCSS with the following information for each student-athlete:

- Name;
- Date of birth;
- Current grade being eligible for competition in a BCSS activity;
- Grade eight (8) entry date;

39.8.1 The change in residence must not be for the purpose of making the student-athlete eligible for competition in BCSS activity at a member school;

39.8.2 The original residence must be abandoned as a residence; (i.e. sold, rented or disposed of as a residence, and must not be used as a residence by another member of the family)

39.8.3 The entire family must make the change and take with them household goods and furniture appropriate to the circumstances;

39.8.4 The change must be made with the intent that it is permanent;

39.8.5 The student is ineligible to compete for the receiving school until the actual change of residence has occurred.

39.8.6 If the new principal residence is:

39.8.6.1 Within the same public school district, the student-athlete may:

- c) Become eligible at the nearest independent school within the same FISA Member Association Groups, listed below, as the leaving school:

- Association of Christian School International
- Associate Member Group
- Catholic Independent Schools International Society Committee

d) Become eligible at the nearest independent school to the new residence if the leaving school does not belong to any of the above named FISA Member Association Groups.

Note: *Although a school district may allow out-of-catchment registration for a new-to-district student, this does NOT satisfy the criteria to be deemed athletically eligible.*

39.8.7 The student-athlete does not become eligible under this category until the member school submits a School Declaration Form by the parent(s) or legal guardian(s) in a form acceptable to the Eligibility Officer which attests to the details and reason for the change of residence.

Note: *The member school may be requested to provide evidence/documentation that the family is residing in a new principle residence and that they have completely moved from the former residence.*

39.9.0 PARENT-TO-PARENT MOVE – The student-athlete moves to reside with the parent with whom they have not been living and is required as a result of the move, to transfer schools. Only two (2) transfers for the purpose of moving from parent to parent are allowed after the first (1st) day of the student-athlete’s first (1st) year of eligibility. The move must not be for the purpose of making the student-athlete eligible for competition in a BCSS activity at a member school. The residence of the student shall be that of the parent to whom custody has been awarded by a court of competent jurisdiction. If no custody order has been entered, the residence shall be that of the parent who has custody immediately upon separation. If the move is to a parent:

39.9.1 Within the same school district, the student-athlete may:

39.9.1.1 Remain eligible if the transfer is to the school within the catchment area the receiving parent resides, and the transfer must be to the same kind of school (i.e. independent to independent, public to public, etc.)

39.9.2 In a different school district, the student-athlete may:

39.9.2.1 Be eligible at the public or independent school into whose catchment boundaries the family has moved.

Note: *Although a school district may allow out-of-catchment registration for a new-to-district student, this does NOT satisfy the criteria to be deemed athletically eligible.*

39.10.0 MOVE TO A LEGAL GUARDIAN – The student-athlete moves to reside with a legal guardian(s), and as a result is required to transfer schools. Only two (2) transfers for the purpose of moving to a legal guardian(s) are allowed after the first (1st) day of the student-athlete’s first (1st) year of eligibility. Legal guardianship must be in place for twelve (12) months prior to when eligibility is sought.

- 39.10.1 Eligibility will only be granted for the member school whose catchment area (public school) the guardian(s) resides or the nearest independent school.
- 39.10.2 If the student transfers to any other school, the receiving (new) school must submit an Eligibility Application.
- 39.10.3 The student-athlete does not become eligible under this category until the member school submits a School Declaration Form by the parent(s) or legal guardian(s) in a form acceptable to the Eligibility Officer which attests to the details and reason for the change of residence.
- 39.11.0 DISTRICT ACADEMIC PROGRAM** – A student-athlete who is enrolled in a recognized district academic program as offered by their school district will be eligible to compete in BCSS activity if they meet all BCSS eligibility requirements and will be able to compete as per 30.2.0. The district academic program must meet the following conditions:
- 39.11.1 The district academic program is a coherent program, not just a series of courses; and
- 39.11.2 The program is not a work experience program.
- 39.11.3 Student - athletes who are enrolled in the district academic program, TREK or the North Vancouver School District (NVSD) Outdoor Education Academy, for a period of one (1) school year and are returning to their original home school immediately upon the conclusion of the program will remain eligible to compete for their home school.
- 39.11.3.1 If the student-athlete wishes to participate in competition in a BCSS activity for the school hosting the TREK or the NVSD Outdoor Education Academy program, the school must file an Eligibility Application in accordance with 40.0.0. If the student-athlete is approved and participates for the host school in a BCSS activity, they will not be eligible at their original school upon return after the conclusion of the district academic program and will be subject to the transfer rules in 39.0.0.
- 39.12.0 ALTERNATE PROGRAM/SCHOOLS** – If an alternate program or school is an offshoot of a particular member school (home school), and is administered by that home school’s administrator, the student-athlete in the alternate program are eligible to compete for the home school. If a student-athlete transfers to an alternate program administered by a different principal, the move is considered to be a transfer, and transfer restrictions shall apply (37.0.0).
- 39.13.0 DESIGNATED SPECIAL EDUCATION SCHOOLS** – A student-athlete who transfers to a designated Special Education Independent School (as per the Independent School Act and the Ministry of Education) will become eligible at any other designated Special Education Independent School regardless of the catchment area in which they reside. If the student-athlete transfers to a school that is not designated as a Special Education Independent School the student-athlete will be subject to Section 39.0.0 Student-Athlete Transfers.
- 39.14.0 STUDENT-ATHLETE TRANSFERRING FROM ALTERNATE SCHOOL OR DISTRIBUTED LEARNING SCHOOL** – A student-athlete who is attending an alternate school in a school district remains eligible upon transfer to the public school in whose catchment area the student-athlete resides; or a student-athlete who is registered at a Ministry of Education distributed learning school remains eligible upon transfer to the public school in whose catchment area the student-athlete resides (37.0.0).
- 39.15.0 SHORT-TERM TRANSFER AND RETURN TO HOME SCHOOL** – A student-athlete who transfers to another school for a period of one (1) school year or less, and who has not participated in interschool competition in any BCSS-approved sport while attending that school, will regain athletic eligibility upon transferring back to his/her home school. A student-athlete who transfers, for disciplinary reasons, to another school for a period of one (1) school year or less, will regain athletic eligibility upon transferring back to his/her home school.
- 39.16.0 WARD OF THE PROVINCE** – The student-athlete who transfers is a Ward of the Province and whose move has been arranged by the province. The receiving school must submit a letter from the school administrator confirming that the placement has been arranged by the ministry having jurisdiction or the government agency responsible for the student-athlete. This letter will include the time of the move, the location of the new residence, and that participation in school sports was not a factor in the placement, and the receiving school must also confirm that the residence of the family or the residence in which the student-athlete has been placed is within the catchment area boundaries of the school.
- 39.17.0 STUDENT-ATHLETE TRANSFERS DURING THE MONTH OF SEPTEMBER AS A RESULT OF SCHOOL DISTRICT TRANSFER PROCESS** – Per Section 74.1 of the School Act, a board must have a protocol in place to allow student movement among schools. Per school district policy, the deadline for application for student transfer is in the spring, prior to the new school year, yet the board reserves the right to make a final decision after space and facility availability are known in the month of September. Therefore, since the school district controls the date of transfer, a student-athlete should not be prejudiced in participating in athletics. The student-athlete may participate in athletics in their third (3rd) year of eligibility in their new school, provided the board gives final approval for attendance prior to September 30th each year.
- 39.18.0** Should a member school apply for the waiver of the one-year ineligibility period under the Transfer Policy (39.4.0) through the use of a Compliance and Authorization, Home Study, School Declaration, or an International Student Form and the form is denied by the Eligibility Officer(s); the member school may appeal the decision directly to the Eligibility Appeals Committee as per 41.0.0.

56.2.1.2 Event officials/judges;

56.2.1.3 Medical coverage at the tournament; and

56.2.1.4 Other expenses directly related to the costs of staging the competitive aspects of the tournament.

56.2.2 Competing schools must be provided with a tournament budget on request. Sport commissions are strongly encouraged to have a maximum entry fee level in their rules and regulations.

56.3.0 **SOCIAL EVENTS FOR STUDENT-ATHLETES** – Social events such as a banquet or hospitality function may be offered for the tournament participants. The charge to student-athletes and coaches or competing schools for social events cannot be mandatory unless the applicable sport commission has included the social event and maximum cost per person as a required part of the championship in the published Commission Rules and Regulations. The inclusion in the rules and regulations of a mandatory social event must be approved through a mail vote of schools participating in the appropriate tier, and should be reviewed at least every four (4) years.

56.4.0 **OTHER RELATED CHARGES** – Tournament items such as t-shirts, souvenir programs, tournament premiums and non-mandatory social activities can enhance a championship. However, tournament organizers cannot make the purchase of these value-added elements mandatory for participants. Tournament organizers should assist their own planning through pre-ordering opportunities for the competing schools.

56.5.0 **COMMUNICATION OF ENTRY FEES AND OTHER TOURNAMENT COSTS**

56.5.1 **MANDATORY CHARGES** – Maximum entry fees and any mandatory social event charges (see 56.3.0) should be published in the BCSS handbook, on the BCSS website and in the Commission Rules and Regulations before the school year begins.

56.5.2 **OTHER TOURNAMENT CHARGES** – Tournament organizers should communicate all non-mandatory tournament charges to all possible competing teams at least six (6) weeks before the tournament starts.

57.0.0 PROVINCIAL CHAMPIONSHIP EVENT MANAGEMENT GUIDELINES

57.1.0 **OBJECTIVES** – The objectives shall be:

57.1.1 To ensure that BCSS approved championships meet minimum acceptable standards with respect to:

- Awards,
- Appeal procedures,
- Conduct and discipline,
- Contracts,
- Dress code,
- Finance,
- Hosting guidelines,
- Location and facilities,
- Media relations,
- Officials,
- On-site concessions and sales,
- On-site supervision and security,
- Promotion,
- Protocol,
- Risk management,
- Rules of competition,
- Souvenir programs,
- Sponsorship.

58.0.0 DISCIPLINARY COMMITTEE

58.1.0 During provincial championships, sport commissions shall form a disciplinary committee to deal with any gross violations of behavior or conduct by a student-athlete or coach considered to be unacceptable by the committee.

58.1.1 **STUDENT-ATHLETES** – While discipline might include banning a student-athlete from further participation in a tournament, the coach of the student-athlete must still assume responsibility for the supervision of the student-athlete and deal with further disciplinary action in accordance with the school or district regulations.

58.1.2 **COACHES** – Any discipline of coaches must follow the procedure outlined in 25.0.0 of these policies.

59.0.0 COMMERCIAL LOGOS

59.1.0 Two (2) credit card size commercial logos which have been approved by the sport commissions will be allowed on any team uniform (for playoff and provincial championship play). A school uniform consists of shirts and shorts or strip appropriate to the sport. The strip should normally have recognized school colors with or without a school logo or cresting.

60.0.0 GRADE 8, GRADE 9, AND JUNIOR PROVINCIAL CHAMPIONSHIPS

60.1.0 BC High School Cross Country will be granted to run a fully sanctioned and BCSS supported BCSS Junior Championship.

61.0.0 NATIONAL CHAMPIONSHIPS

61.1.0 BCSS, in conjunction with all other provincial associations, is opposed to national interscholastic championships. Therefore, BCSS will not sanction competition at this level.

62.0.0 SANCTIONING

The intent of sanctioning is to ensure school teams, playing under similar conditions and rules structures are competing fairly against one another, within the spirit and intent of interscholastic athletics. Any competition hosted by and contested between two BCSS member schools, in a recognized activity, during the season of play, is automatically sanctioned. Events that are attended by member schools and hosted out of province, are hosted by member schools but have an out-of-province team competing, or are hosted by a non-member, require sanctioning to be obtained prior to the event.

62.1.0 Many BC schools host competitions with schools from outside of the province or travel out of province. To ensure that competition is conducted or approved by secondary school authorities and that competition is equitable and fair, sanctioning policies have been developed by all provincial school sport associations in Canada and state associations in the U.S.A. Sanctioning assures that competition is being conducted in the best interests of the schools concerned. The competition must be conducted by an educational institution or subject to the controls of school authorities. For sanctioning purposes, each BC school will guarantee that each student-athlete meets the eligibility requirements of BCSS.

62.2.0 The following procedure must be used for sanctioning of competition involving schools from outside the province (schools in provinces and states outside BC inviting teams from BC are required to follow the same procedures).

62.2.1 CANADIAN SCHOOLS

62.2.1.1 Any member school hosting a team from another province must submit an Application for Sanction – Host to BCSS no later than thirty (30) days prior to the event.

62.2.1.2 Any member school travelling out of province for a competition must submit an Application for Sanction – Travel to BCSS no later than sixty (60) days prior to the event.

62.2.1.3 Upon receipt of an application in 62.2.1.1 or 62.2.1.2, BCSS will:

- a) Ensure that the competition is being conducted within BCSS rules and regulations and is in the best interest of the schools concerned;
- b) Complete and forward endorsement forms to the provincial or state association(s) of the out of province schools; and
- c) Member schools not completing the required application form in accordance with 62.2.1.1 or 62.2.1.2 will be fined \$200 per instance.

62.2.1.4 BCSS and Alberta Schools Athletic Association have endorsed a blanket sanctioning policy for member-schools situated near the Alberta-BC border as posted on the BCSS website.

62.2.2 UNITED STATES SCHOOLS

62.2.2.1 Any member school hosting a tournament, meet, or event involving two (2) or more schools where one (1) or more schools are from the United States, must submit an Application for Sanction - Hosting to BCSS no later than sixty days (60) prior to the event.

62.2.2.2 Any member school travelling to a tournament, meet, or event in the United States must submit an Application for Sanction Travelling to BCSS no later than sixty days (60) prior to the event.

62.2.2.3 Upon receipt of an application in 62.2.2.1 or 62.2.2.2, BCSS will:

- a) Ensure that competition is being conducted within BCSS rules and regulations and is in the best interests of the schools concerned,
- b) Complete and forward endorsement forms to the state association(s) of the schools.
 - i) Tournaments, meets or events involving schools from three (3) or more states must also receive sanction from the National Federation of State High School Associations (NFHS). This process requires:
 - A processing fee, as determined by NHFS, sent ninety (90) days before the tournament, meet, or event; and
 - A financial report sent within ninety (90) days after the tournament, meet, or event.

62.2.2.4 Member schools not completing the required application form in accordance with 62.2.2.1 or 62.2.2.2 will be fined \$200 per instance.

62.2.3 INTERNATIONAL TOURS, CONTESTS, AND CULTURAL EXCHANGES

62.2.3.1 Any member school hosting or travelling to another country other than the United States must submit an Application for Sanction - International to BCSS no later than sixty (60) days prior to the event.

62.2.3.2 Upon receipt of an application in 62.2.3.1, BCSS will:

- a) Ensure that the competition is being conducted within BCSS rules and regulations and is in the best interests of the schools concerned; and
- b) Notify the member school of the decision (approval or denial).

62.2.3.3 Member schools not completing the required application form in accordance with 62.2.3.1 will be fined \$200 per instance.

62.2.3.4 It is the responsibility of the member school to obtain approval(s) from the appropriate Provincial and/or National Sport Organizations (PSO/NSO) as required.

62.2.4 NON-MEMBER EVENT SANCTIONING

62.2.4.1 Colleges, Universities, other non-member institutions, companies, organizations, or individuals hosting high school events must obtain sanctioning using the 3rd Party sanctioning form

62.2.4.2 The form must be submitted to BCSS at least twenty-one (21) days prior to the event. A \$200 late sanctioning fee will be assessed to the applicant, if the sanctioning form is not submitted on time. Refusal to pay the fine will result in the loss of sanctioning.

62.2.4.3 Member Schools not listed on the sanctioning form will not be able to participate without approval of BCSS. If non-school teams and BCSS member school teams are participating at the same tournament they must compete in separate categories/divisions/events etc.

62.2.4.4 In the event of individual sports, high school athletes belonging to club teams should compete only as a member of their High School and only compete against High School athletes.

A Member School that casts an Advance Vote is deemed to be present at a General Meeting and will be counted towards quorum at such meeting.

The results of a vote conducted by Advance Votes prior to a General Meeting will be announced at a General Meeting and added to those votes cast at a General Meeting by the Member Schools present at the meeting by their Designated Representatives to determine the total votes cast on a question.

Notwithstanding section 6.5, a Member School that casts an Advance Vote may not grant its proxy to a Proxy Holder.
