### **Fees for Coaches from High School Programs**

This is a free clinic for high school coaches (costs are covered by the BC Secondary Schools Football Association and BC School Sports). There is no registration fee and lunch is provided free of charge for high school coaches. (Note: since this clinic is free, in an attempt to minimize situations where coaches register and then do not attend, thus causing more food to be ordered than necessary, teams will be charged a \$20 “no-show fee” for each coach that registers but does not attend.)

### **Registration for High School Coaches**

All attendees are required to register in advance (in part so an accurate headcount can be obtained for ordering food).

**To register high school coaches, please send an email to:**

Zac Kremler  
Vice President, Coach & Player Development  
BC Secondary Schools Football Association  
[Zac.Kremler@gov.bc.ca](mailto:Zac.Kremler@gov.bc.ca)

In your email, please list: the name of your high school and the name, email address, phone number and coaching position of each coach attending (it will be easiest if the head coach from each school sends this information to Zac in one collective email on behalf of each school please).

### **Travel Grants for High School Teams**

In order to maximize attendance, travel grants will be provided to high school programs outside of the lower mainland as follows:

- Each school from Vancouver Island that sends coaches to the clinic will be given \$125 per coach, for up to two coaches, to help offset travel costs
- Each school from the Interior that sends coaches to the clinic will be given \$250 per coach, for up to two coaches, to help offset travel costs
- Each school from Northern BC that sends coaches to the clinic will be given \$500 per coach, for up to two coaches, to help offset travel costs
- Schools from the Greater Vancouver area are not eligible for travel grants given their close proximity to the event

Travel grant funding requests can be directed to Zac Kremler at the email address above, after the football clinic has occurred. (note: travel grants are available to high school teams only and are being funded by the BC Secondary Schools Football Association and BC School Sports; this offer cannot be extended to community teams.)

## **Biographies of Clinic Presenters**

<p><b>Rick Campbell,</b> Co-GM &amp; Head Football Coach, <b>BC Lions</b></p>	<p>2023 marks Rick's fourth full year with the organization after he was introduced as the 27th head coach in BC Lions history in early December 2019. The 2022 campaign marked a major turnaround for the franchise with a 12-6 regular season record-matching Campbell's best regular season record with Ottawa in 2015- and advancing to the Western Final at Winnipeg. Prior to moving to the west coast, Campbell served as the first head coach in REDBLACKS franchise history from 2014-19.</p> <p>While at the helm of the RedBlacks, the 48-year-old native of Spokane, Washington quickly transformed the expansion club into an East Division power and enjoyed three trips to the Grey Cup in 2015, 2016 and 2018.</p> <p>His hard work and innovative approach to coaching earned him the CFL's Coach of the Year award in 2015 after guiding Ottawa to a Grey Cup appearance in just his second year with the club. A year later, Rick enjoyed his first Grey Cup title as a head coach as the RedBlacks triumphed over the Calgary Stampeders 39-33 in an overtime thriller.</p> <p>Since taking his first coaching position in 1999, Rick has been part of three Grey Cup champions including a pair of titles in Edmonton in 2003 and 2005. His two decades spent in the CFL include roles as a defensive coordinator, special teams coordinator, defensive backs coach and running backs coach.</p> <p>Growing up in Edmonton and a graduate of Washington State University, Rick's ties to coaching run deep as the son of Canadian Football Hall of Fame member Hugh Campbell who enjoyed a storied playing career with the Saskatchewan Roughriders and coached Edmonton's historic five-in-a-row squads that won Grey Cup championships in 1978, '79, '80, '81 and '82. Rick and his wife Brianna reside in Vancouver year-round.</p>
<p><b>Jordan Maksymic,</b> Offensive Coordinator, QBs, <b>BC Lions</b></p>	<p>Maksymic returns for a third season running the Lions offence after helping lead a breakout performance in 2022 that saw the Lions lead the CFL in key categories such as net offence (384.6 yards per game) and offensive points (28.3 per game). The offence also finished 2nd in the CFL with 56 TDs in 2022.</p> <p>Maksymic was introduced as Lions offensive coordinator in January of 2020 after spending four seasons on the coaching staff of the Edmonton Football Team. His first season as Lions' OC resulted in Michael Reilly leading the CFL in passing yards while receivers Bryan Burnham and Lucky Whitehead earned CFL All-Star selections.</p> <p>He began as Edmonton's quarterbacks coach and pass game coordinator from 2016-18 before being promoted to offensive coordinator for the 2019 season.</p> <p>The native of St. Albert, Alberta was instrumental in helping Mike Reilly win the CFL Most Outstanding Player Award in 2017. Reilly was also the league's leader in passing yards in each of their three seasons together and tied Trevor Harris for the most touchdown passes (30) in 2018. Prior to landing with the Eskimos, Maksymic spent two seasons (2014-15) as running backs coach and offensive assistant with the Ottawa RedBlacks. Prior to his first stint on the Edmonton staff from 2011-13,</p>

	<p>Maksymick spent two seasons as a graduate assistant at Northern Arizona from 2009-10.</p>
<p><b>Ryan Phillips,</b> Defensive Coordinator &amp; DBs, <b>BC Lions</b></p>	<p>2023 marks Ryan's second season as defensive coordinator, third on the club's coaching staff and 15th season overall with the organization after first breaking in as a player in 2005.</p> <p>At 22.5 points allowed per game, the Lions' defence was third in the CFL in 2022 while three of Phillips' defensive backs- Garry Peters, Loucheiz Purifoy and Marcus Sayles- were voted as CFL and West Division All-Stars.</p> <p>A native of Seattle, Phillips was most recently a member of the Calgary Stampeders player personnel staff in 2018 following a similar position with the Lions in 2017. The Eastern Washington grad originally joined the Lions as a free agent in 2005 and went on to appear in 212 regular season games for the club (5th all-time among Lions) and enjoyed a pair of Grey Cup wins in 2006 and 2011.</p> <p>Patrolling the Lions' secondary with legendary teammates Dante Marsh and Korey Banks, Phillips wrapped up his amazing career with 47 interceptions (2nd all-time among Lions) including a record-tying 12 picks in the 2007 season along with a club-best 816 career return yards and five pick-sixes.</p> <p>A four-time CFL All-Star and five-time West Division selection, the versatile and gifted defensive back signed with the Montreal Alouettes in 2017 and appeared in two games before returning to the West Coast in a football operations role with the Leos.</p>
<p><b>Don Yanowsky,</b> Special Teams Coordinator, <b>BC Lions</b></p>	<p>A veteran of over 40 years in the coaching ranks, Yanowsky returns for a third season with the Lions in 2023 after spending three seasons at Texas-El Paso where he served as special teams coordinator and coached the school's safeties. During his time with UTEP, the Miners defence was regularly ranked in the top 10 of Conference USA in pass defence and total points allowed.</p> <p>He spent two seasons (2014-15) as special teams coordinator with the Ottawa RedBlacks where he helped the franchise go from two wins in their inaugural season to a 12-6 record and appearance in the 105th Grey Cup in year two.</p> <p>Yanowsky was the Calgary Stampeders linebackers coach from 2012-13. During that time, Calgary's stout defensive unit helped lead the squad to an appearance in the 100th Grey Cup followed by a 13-5 campaign and first place finish in the West in 2013.</p> <p>Prior to joining the professional coaching ranks, Yanowsky enjoyed over two decades of success in the US College ranks where stops included his alma mater of Toledo, Arkansas State, Minnesota, Boston College and East Carolina.</p>
<p><b>Jason Tucker,</b> Wide Receivers, <b>BC Lions</b></p>	<p>Tucker previously served as wide receivers coach with the Edmonton Elks in 2019. The three-time CFL All-star began his coaching career Edmonton from 2009-10 (wide receivers) before three seasons (2012-14) in the same role with the Saskatchewan Roughriders. Along with earning a Grey Cup ring in 2013, Tucker helped Chris Getzlaf, Weston Dressler and Taj Smith each eclipse the 1,000-yard mark in that championship season. He moved south of the border to serve as assistant wide</p>

	<p>receivers coach with the Tennessee Titans from 2015-16, before returning north of the border to coach the Montreal Alouettes wide receivers in 2018.</p> <p>During his CFL playing career (2002-08) with the Eskimos, Tucker caught 450 passes for 8,065 yards and 64 touchdowns while helping the green and gold win two Grey Cups. He was also named MVP of the 2003 Grey Cup victory over Montreal after catching two touchdown passes from Ricky Ray.</p> <p>A sixth-round draft pick of the Cincinnati Bengals out of Texas Christian in 1998, Tucker went on to play two seasons (1999-2000) with the Dallas Cowboys where he caught 36 passes for 565 yards and two touchdowns in 31 games.</p>

As a receiver with the Bisons, Dyce recorded 119 receptions for 1,491 yards and eight touchdowns over 45 total appearances. Dyce ended his Bison career with a stellar performance in the Hardy Cup against Calgary, hauling in a 50-yard Hail Mary touchdown before their comeback attempt would come up just short. Prior to his U Sports career, he was a member of the CJFL Regina Thunder in 2013 where he earned Prairie Football Conference (PFC) Rookie of the Year and also helped the Thunder capture the Canadian Bowl with a convincing victory over the Vancouver Island Raiders.</p> <p>Trysten is the son of long-time CFL coach Bob Dyce who worked with Rick Campbell in Ottawa from 2016-19 and was interim head coach of the Saskatchewan Roughriders in 2015. He is a huge fan of the NFL's Houston Texans and lists receiver Andrew Johnson as his all-time favourite pro.</p>
