7. Part E – Seasons of Play: E2.2 – Designated Seasons of Play by Sport and Area (page 100)

A) WHEREAS, there is a desire to address the need for a competitive balance;

AND

WHEREAS, there is a desire to regulate that no student has greater than a 13 week season of play in any specific school sport;

AND

WHEREAS, the purpose of ‘school sports’ is to provide a variety of opportunities to participate in different athletic activities in different seasons of play;

AND

WHEREAS, movement between teams (Section D4, page 78-80) can only occur in one season of play, opportunities for junior players to move up during the season and post season as well as jointly sponsored teams and players playing at two levels – can only occur if seasons of play are aligned;

AND

WHEREAS, there is conflict between school sport programs and non-school sport programs in terms of seasons played;

MOVED: {COLOMBO, (Riverside) / THORNE, (Prince Charles)} BE IT RESOLVED that all Junior Competition (Grade 10) shall be played in the same season of play with the designated senior season of play.

Rob Colombo explained the rationale behind the motion.

VOTE: 102 For

38 opposed

CARRIED

As a result of the first motion being accepted by the membership the second motion is now moot.

B) WHEREAS, the seasons of play existing in 2008/09 do allow Athletic Associations some freedom for placing junior leagues, thereby spreading out the demands placed on facilities (fields) and officials, and coaches (which are all in short supply) The problem does exist however, that in some schools, Junior aged players in Soccer and Rugby cannot be used in Sr. Play, and as a result, many schools are unable to field teams at the junior or senior level (or teams fold as there are no spare players to cover absenteeism or injury). Both these sports have a larger team size.. It is happening that many students are turned away from playing on a soccer or rugby team, for the lack of 2 or 3 players.

AND

WHEREAS, a rule already exists for Football, to allow students to participate in more than one age group, thereby acknowledging that at some situations , there is need to make exceptions to the rules, in order to allow a school to field a team. The exception allows BCSS to increase participation and support the goals of the Association.

AND

WHEREAS, the number of groups involved in the approval process, will weed out any situation that does not deserve of the exception. Teams that do not need the “jr” to survive are not likely to be approved by the local athletic Association or the Provincial Sport Commission.

MOVED: {PENNER, (Spectrum), / REISIG, (Claremont)} BE IT RESOLVED that D4.6 be revised as follows:

D4.6 Individuals playing at two levels of competition in the same season of play (or a different season):

If it is deemed necessary to have players compete at two different levels in order to field teams, an exception can be made with written approval from the parent/legal guardian, Administration, local Athletic Association and the Provincial Sport Commission.

8. A) Soccer Boys and Girls – Single “A” Provincial Championships expansion from 12-16 teams.

WHEREAS, in the interest of fairness and equal opportunity of representation for all zones,

AND

WHEREAS, to maintain consistency with the AA and AAA tiers at the provincial soccer championships,

MOVED: {PORPACZY, (Southridge) / SCHULTING, (Osyoos)} BE IT RESOLVED that the number of participating schools at the “A” Boys and Girls Soccer Championship be increased from 12 to 16.

CARRIED

B) Basketball: Girls – Single “A” Provincial Championships expansion from 12-16 teams.

WHEREAS, when the ‘A’ tier was created in both boys’ and girls’ basketball, the tournaments were eight-team competitions. Each of the seven zones received one berth with the host assigned the remaining one. As the number of registered ‘A’ girls’ teams increased through the 1990’s (39 in 1996-97 to 52 in 2000-01), the tournament was expanded to twelve teams.

AND

WHEREAS, the number of ‘A’ teams has continued to slowly increase over the last six years. This trend has been leading to discussion about increasing the ‘A’ girls’ field to sixteen teams.

At last year’s ‘A’ membership meeting during the provincial tournament in Keremeos, the coaches supported unanimously the concept of expanding the ‘A’ tournament to sixteen teams, a topic that had been discussed at the previous two tournament meetings.

AND

WHEREAS, the BCSSGBA Executive directed John Mill, its ‘A’ representative to survey the ‘A’ Girls coaches about the expansion. A copy of the survey and the compilation of the results are included at the end of this document. About half of this season’s active teams responded, with 93% in favour of expansion. This led to the following motion being passed at this year’s AGM on March 13.

MOVED: {COLOMBO, (Riverside) / KEENAN, (Samuel Robertson)} BE IT RESOLVED that the expansion of ‘A’ girls basketball for the Provincial Championships be increased from a 12 to 16 team tournament.

Jim Mitchell on behalf of Abbotsford Christian spoke in opposition citing increased cost burdens.

AND

Section D12A: ADVANCE RULING ON ELIGIBILITY

D12A.1 A member school may apply in writing to the Eligibility Officer through the BCSS office for an advance ruling on a student-athlete’s eligibility to participate in restricted competition at the school for one or more sports.

D12A.1A An application for the current school year may be brought at any time.

D12A.1B An application for the following school year may only be brought after the BCSS Annual General Meeting for the current school year.

D12A.2 An application under D12A.1 shall contain a completed and signed BCSS Eligibility Advance Ruling Form.

D12A.3 The Eligibility Officer may request further information from the applicant school, and may decline to issue a ruling if he or she considers that the applicant school has not provided sufficient information.

D12A.4 Subject to D12A.3, the Eligibility Officer shall issue a written ruling to the applicant school stating that the student-athlete is eligible or ineligible for restricted competition in one or more sports for the current or following year based on the facts submitted by the applicant

school.

D12A.5 Where a student-athlete is ruled ineligible, the student-athlete is deemed to be ineligible for the purposes of sections C5 (Violations of Eligibility Policies) and D1 (Student Eligibility) for the year and sport or sports referred to in the ruling.

D12A.6 Where a student-athlete is ruled eligible, the student-athlete is deemed to be eligible for the purposes of sections C5 (Violations of Eligibility Policies) and D1 (Student Eligibility) for the year and sport or sports referred to in the ruling, provided, however, that:

- (a) the facts submitted by the applicant school are correct; and,
- (b) the student-athlete:
 - (i) is not ineligible for restricted competition on the basis of facts not contained in the application; and,
 - (ii) does not become ineligible after the ruling is issued.

7. Section D13 of the Competitive Rules and Regulations be repealed and replaced with the following:

Section D13: ELIGIBILITY EXEMPTION APPLICATIONS

D13.2 An application under D13.1 shall be submitted to the 'Eligibility Officer' through the BCSS office.

D13.3 The application shall contain:

- (a) a completed and signed BCSS Eligibility Exemption Application Form;
- (b) if the ineligibility arises from a school transfer, a letter from the Administrator of the student-athlete's former school confirming that the school is aware of the exemption application and indicating whether the school supports or objects to an exemption, together with its reasons;
- (c) a copy of the student-athlete's personal record card (public schools), or report cards and transcripts (non-public schools);
- (d) a list of the student-athlete's current courses;
- (e) a copy of a primary source document showing the student-athlete's date of birth (e.g., birth certificate, passport, baptismal certificate, permanent resident card, provincial ID card);
- (f) a letter from the student-athlete's parent or legal guardian supporting the application;

D13.5 The Eligibility Officer may request further information from the applicant school.

D13.6 There is no right to a teleconference or oral hearing before the Eligibility Officer.

D13.7 The Eligibility Officer may allow or deny the application, having regard to the following principles:

- (a) the primary purpose of the eligibility criteria in the Competitive Rules and Regulations is to promote fair and equitable competition for all student-athletes participating in BCSS competition;
- (b) in the case of school transfers, although there are many *bona fide* reasons why a student-athlete might change schools, an exemption should almost invariably not be granted in respect of a transfer for the purpose of playing a sport still offered by the student-athlete's former school; and,
- (c) an exemption shall be granted where the Eligibility Officer is satisfied that:
 - (i) the student-athlete has transferred schools for a *bona fide* academic reason;
 - (ii) the student-athlete has transferred schools because of financial hardship; or,
 - (iii) in any other case, the exemption would not unduly prejudice the BCSS goal of fair and equitable competition.

D13.8 The Eligibility Officer shall issue a written ruling to the applicant school (to the attention of the Administrator and the Athletic Director) either allowing or denying the application, and containing a brief summary of the reasons for the decision.

D13.9 Subject to D13.21, if the Eligibility Officer allows the application, the student-athlete becomes eligible for competition on the date the decision is issued, provided, however, that the student-athlete's eligibility remains otherwise subject to the Competitive Rules and Regulations.

D13.10 It is the responsibility of the applicant school to notify the student-athlete and the student-athlete's parent(s) or legal guardian(s) of the decision of the Eligibility Officer and of any requests or other communications from the Eligibility Officer.

D13.11 A member school may appeal a decision under D13.8 denying an exemption application, in accordance with this section.

D13.12 An appeal under D13.11 shall be in writing and shall be submitted to the BCSS head office for forwarding to the Eligibility Appeals Committee (the "EAC") at least eight (8) days before the next scheduled meeting of the EAC.

D13.13 The appeal shall contain:

- (a) a completed and signed BCSS Eligibility Appeal Form;
- (b) copies of all of the materials submitted to the Eligibility Officer;
- (c) a cheque for \$200.00 which is refundable if the appeal is allowed; and,
- (d) any other information or material that the school wants the EAC to consider.

D13.14 The EAC may request further information from the applicant school.

D13.15 There is no right to a teleconference or oral hearing before the EAC.

D13.16 The EAC may allow or dismiss the appeal, having regard to the principles set out in D13.7.

D13.17 The EAC may substitute its views for that of the Eligibility Officer.

D13.18 The EAC shall issue a written ruling to the applicant school (to the attention of the administrator

and the Athletic Director) either allowing or dismissing the appeal, and containing a brief summary of the reasons for the decision.

D13.19 Subject to D13.21, if the EAC allows the appeal, the student-athlete becomes eligible for competition on the date the decision is issued, provided, however, that the student-athlete's eligibility remains otherwise subject to the Competitive Rules and Regulations.

D13.20 It is the responsibility of the applicant school to notify the student-athlete and the student-athlete's parent(s) or legal guardian(s) of the decision of the EAC and of any requests or other communications from the EAC.

D13.21 Where an exemption is granted by the Eligibility Officer or by the EAC on the basis of a transfer for an academic reason, the exemption shall cease to have effect if the student-athlete withdraws from the program, group of courses or other academic offering underlying the exemption, unless and until the Eligibility Officer, on written application by the school, confirms the exemption.

D13.22 The decisions of the EAC under D13.18 and the Eligibility Officer under D13.8 are final and binding and shall not be questioned or reviewed in any court or tribunal, and no order shall be made or process entered or proceeding taken in any court or tribunal whether by way of injunction, declaration, prohibition or otherwise to question, review, prohibit or restrain the proceedings.

It is the intention of BCSS and its members that, to the extent permitted by law, all matters concerning its Competitive Rules and Regulations be private matters not subject to any form of adjudication by any court or tribunal.

8. Section D12.5 be repealed.

E) PROPOSED RESOLUTIONS FOR THE 2009 BCSS AGM SUBMITTED BY THE MEMBERSHIP

15. D2.6 Participation of Students in Kindergarten to Grade 7

WHEREAS, there is an inequity in the differential treatment of grade 7 students at elementary schools and grade 7 students at middle schools and grade 7 students at elementary-junior secondary schools under the current eligibility rules;

AND

WHEREAS, in the interest of fairness and equal opportunity for all grade 7 students;

AND

WHEREAS, an elementary-junior secondary school (e.g. Jaffray) can have both grade 7's and grade 8's on their bantam teams as can middle schools for (gr6 to 8);

AND

WHEREAS, a small town 8 to 12 high school (e.g. Selkirk Secondary, Kimberly) can only draw from the grade 8's in their buildings and not the grade 7's at their feeder schools;

WHEREAS, the impact of not allowing grade 7's from K to 7 schools to play on bantam teams at their local 8 to 12 high school is causing small town 8-12 high schools to be unable to field enough players for bantam teams, this hurting bantam athletes;

AND

WHEREAS, the impact of not allowing grade 7's from K to 7 schools to play on bantam teams at their local 8 to 12 high school is hurting the development of grade 7 athletes by denying them meaningful competition.

AND

WHEREAS, the motion specifically pertains to team sports (i.e. basketball, volleyball) and not individual sports (i.e. wrestling);

AND

WHEREAS, there is a declining participation rate at this level that will impact BCSS for senior competition over the next 5 years;

AND

WHEREAS, the advantages of proceeding with inclusion of all grade 7's province wide outweigh the disadvantages.

MOVED: {MARTIN, (Selkirk) / POPOFF, (Prince Charles)} BE IT RESOLVED that elementary schools be allowed to become member schools in 2010-2011 for a fee of \$100 per year and that grade 7 students in these schools be allowed to participate in BCSS sanctioned team sport activities for the more senior school into which they would normally feed.

Much discussion followed this item in relation to the intent of the rule and its potential implications. Those opposed included J. Mitchell (on behalf of Colleen and Gordie Howe Middle School), M. Alina (Point Grey), G. Johnstone (Sentinel). Those in favour included Sharon Popoff (Prince Charles).

MOVED: (THORNE, {Prince Charles} / SEMENOFF, {Brocklehurst}) to defer the motion back to the Committee and bring it forward again next year, taking into account the rule pertaining to joint teams and rural communities.

16. Section E3 Approved Exceptions to the Seasons of Play Dates

WHEREAS, due to the unavailability of football equipment, it is all rented from Prince George Minor Football and they will not release it out until August, it is an impossibility to run any spring practice sessions. With this in mind the NCDSAA would like to apply for a specific exception that will allow it to forego E3.3.1 (p. 100) "a school team may meet another team in a jamboree with several school teams on one (1) occasion between the date of the last provincial championship and the end of the school year. This should be in

conjunction with the spring practice” and instead run the two (2) weeks of spring practices in conjunction with the two (2) weeks of practice prior to Labour Day that BCHSFA already allows for, to therefore extend allowable practices to four (4) weeks prior to Labour Day.

The exemption would be added into the BCSS handbook as E3.3.1.1 as follows:

MOVED: {THOMSON, (Prince George) / TOLL, (D.P Todd)} BE IT RESOLVED that NCDSAA Member Schools will have the option to run the two (2) weeks of spring practices four (4) weeks prior to Labour Day in lieu of the usual spring dates.

Matt Thomson spoke to this resolution.
