Berthing

There are 16 berths into the Provincial Championships. Each zone will be awarded a berth into the 2023 tournament. There is also one berth allocated to the tournament host.

- Three (3) berths will be allocated based on the percentage of active senior programs in each BCSS zone.
- The remaining three (3) berths are considered at-large berths and will be awarded to zones at the discretion of the seeding committee based on the strength of the zone. These berths will be announced in November prior to zone competitions.
- If a zone does not fill their berth, it will be allocated to the at-large berth pool.
- Berth allocations will be finalized following the team registration deadline (October 4th).
 - Teams must meet the minimum player registration on their STARS roster by the deadline date to be considered for zone berthing allocations.
 - Teams that register after the team registration deadline will remain eligible to qualify for a provincial championship berth.
 - Inactive teams (teams that are not actively practicing and competing) will be removed from the berthing ratio calculations.
