
MEMORANDUM

TO: BCSS MEMBER SCHOOLS
FROM: JORDAN ABNEY, EXECUTIVE DIRECTOR
SUBJECT: INDIVIDUAL STUDENT -ATHLETE PLAYING UP TO A MORE SENIOR SCHOOL'S TEAM MOTION (POLICY 818.1)
DATE: NOVEMBER 28, 2022

At the BCSS Annual Planning Meeting held on November 14 / 15, 2022 the Legislative Assembly passed the motion to amend the Individual Student – Athlete Playing Up to A More Senior School’s Team Policy (Policy 818.1). This motion was presented if passed to be implemented for the start of the Winter 2022 season of play/ November 28, 2022.

Upon a more comprehensive review and understanding of the policy changes approved at the AGM, the Legislative Assembly felt it was beneficial to more schools that could benefit from reverting back to the policy that was in place prior.

To summarize the current policy - **Middle/Junior member school athletes whose feeder school (senior school) has a membership category of four (4) or lower can apply to “play up” to the senior school that they would normally attend.** The full policy has been updated and can be viewed in the online BCSS [handbook](#) (section 818.1/page 89) which is considered the current version.
