4. INFORMATION SHARING: (Points of Interest)

4.1 Zones:

Further to the discussion at the combined meeting the configuration of the BCSS Zones was discussed. Suggestions about more zones/fewer zones were discussed. Also discussed was the option of having different leagues within each zone to better accommodate the larger zones and travel/logistics of the geography. Some thought into the plan for zones will be looked at by BCSS and some surveys will be

sent around to gather input.

4.2 Junior Provincials

There was a discussion around this being a philosophical question for BCSS and the fact that there are invitational junior provincials already happening around the province in a number of sports. BCSS will send out an information gathering request to the Sport Commissioners to determine which ones would be interested in having a Junior Provincial Championship.

5. NEW BUSINESS:

Please refer to the minutes of the combined Sport Commissioners and Athletic Association Presidents meeting.
