STARS Registration

Rosters will be verified against the BCSS Student-Athlete Registration System (STARS). All coaches must also be included in the system. Tournament credentials will not be issued unless the coach is in STARS and listed as a coach. If team staff need to be added, school Athletic Directors can do this for coaches with no late penalties. Access to the tournament is dependent on STARS registration.

Designated School Representatives

Schools are required to have a school coach at the competition site, however in cases where the school coach is unable to attend, the school must have a designated school representative on site with their student-athletes. A template letter will be included in a future bulletin. The designated school representative must present the letter at the competition site, authorizing them as the representative by the school principal. The letter should be on school letterhead & signed by the school principal.
