COVID Protocols

Dover Bay/Nanaimo District Secondary/John Barsby Secondary (3 courts)

New COVID Protocols for SD68 schools for spectators – 1 spectator per athlete – to help us offset our costs we will be pre-selling Tournament Passes for \$10. These can be shared among parents but will be needed to enter the facility.

As well, spectators must complete the Contact Tracing Google Doc before entering the facilities.

I'm asking all teams that may qualify to email me their complete rosters (#s, Full Name, Position), a team photo, and their school logos. To have tournament programs done on time I'll need this info asap. Thanks.
