
MEMORANDUM

TO: BCSS PRINCIPALS, ATHLETIC DIRECTORS, ZONE PRESIDENTS

FROM: JORDAN ABNEY, EXECUTIVE DIRECTOR

SUBJECT: 2026- 27 PROVINCIAL CHAMPIONSHIP DATE

DATE: MARCH 2, 2026

CC: ATHLETIC ASSOCIATION PRESIDENTS, SAC CHAIRS

It has come to our attention that the dates for both the 2026–27 and 2027–28 Provincial Championship years published in the handbook are incorrect. The dates for this year’s championships are unaffected.

A chart outlining the correct provincial championship weeks for all sports for the 2026–27 school year has been provided below. Additionally, the BCSS handbook has now been updated online to reflect these changes. The 2026-27 printed handbook will include provincial championship dates for the subsequent five years.

Additionally, there was concern within the basketball community with the originally posted (incorrect) dates and potential conflict with the LEC around availability for the correct dates. Those conflicts have been resolved with minimal impact to the tournaments and will proceed next year on the usual (corrected) dates as found in the chart below. It should be noted however, that normally there are 4 weeks in the winter season prior to the Christmas break but based on the way the calendar falls next year there is only 3 weeks of the Winter season prior to the break. This will require some creativity and communication from the coaches to adapt the invitational tournament schedule, but the length of the season will be the standard 12 weeks (girls) and 13 weeks (boys) plus the two-week holiday break. Our thanks to LEC for working with us to creatively resolve this issue.

We apologize for any confusion this may have caused and ask that you please ensure all coaches are aware of the correct dates.

Should you have any questions, please do not hesitate to contact the BCSS office.
