
MEMORANDUM

TO: BC SCHOOL SPORTS MEMBER SCHOOLS

FROM: JORDAN ABNEY, EXECUTIVE DIRECTOR, BC SCHOOL SPORTS

SUBJECT: BCSS OFFICIAL BALL

DATE: MARCH 15, 2024

CC:

BC School Sports is very excited to confirm that **Molten** will be the official ball in Basketball, Volleyball, and Soccer. **Nike** will be the official Football. The change was approved by the Legislative Assembly at an extraordinary meeting on Wednesday.

The balls are as follows:

Volleyball: **Molten V5M5000 Flistatec series**, FIVB approved

Basketball: **Molten G4500 series**, FIBA approved

Soccer: **Molten F5A5000 series**, FIFA approved

Football: **Nike FB1011 Championship Ball**

These balls will be used at all Senior Zone and Provincial Championships for Basketball, Volleyball and Soccer. Schools and/or local associations may choose to use a different ball for Gr8, Gr9 or Junior play. Senior competition before the Zone and Provincial Championships may also be played with a different ball. These official balls will come into effect for the 2024-2025 school year, but we know many of the schools will want to do purchasing before the end of this year. All Varsity football games will use the Nike Championship ball.

We have confirmed discount pricing with Molten's major distributors, which will generally match or in most cases beat pricing on the previous ball. They have arranged stock to be plentiful in the weeks to come. The major equipment distributors which many of our schools regularly work with will have the balls shortly and certainly will have balls to you before next year.

With that, we are pleased to introduce our *preferred distributor*, **Team Litzen/Skyline Athletics**, which has offered some incredible onboarding pricing to our member schools to assist with the transition. Schools are not obligated to use this distributor, but we encourage you to review the attached flyer and use T.Litzen/Skyline wherever possible. The contact information can be found on the attached page, and they are prepared to accept orders immediately.

We appreciate your patience throughout this process over the past 18 months and are happy to have a clear direction for many years into the future. As always, if you have questions, please contact the BCSS office.
