RSVP required at:

<https://drydenconcussionbc.eventbrite.ca>

Free Admission | Open to General Public

*Seating Limited!*

**Concussion Awareness Training Tool (CATT) for Parents, Players, Coaches and Trainers**

This event will highlight the importance of the soon-to-be released Concussion Awareness Training Tool (CATT) developed by the BCIRPU in partnership with the BC Ministry of Health. Created for parents, players, coaches and trainers, the CATT will build on a number of existing resources, including the CATT for physicians and health professionals, to provide an educational training tool that will raise awareness of concussion as well as the need for proper management and prevention.
