
MEMORANDUM

TO: BCSS Member School AD's & Administrators
FROM: Jordan Abney, Executive Director
SUBJECT: Winter Roster Registration Deadline and Esports Update
DATE: Thursday, January 6, 2022
CC: BCSS Legislative Assembly, Zone Executives, Sport Advisory Chairs

Two quick items coming from the BCSS office today:

Winter Roster Registration Deadline – Extended one week

With the phased restart of school following the winter break, the STARS roster deadline will be pushed back an additional week. The Winter Roster Registration deadline of Wednesday, January 12, 2022 is now moved to **Wednesday, January 19, 2022**. A reminder this is the last day to add any students to your winter teams' rosters in STARS. Rosters must be complete and fully uploaded prior to January 19th.

Esports Update

A reminder that the winter/spring season of E-Sports is now registering teams. There is a webinar on Tuesday, January 11 @ 4:00pm for anyone looking for more information and have the opportunity to ask questions on how it works, what's required, what are the costs and more. We want to congratulate Seaquam for winning the Fall Season of League of Legends. We are looking forward to seeing more schools and student-athletes exploring this popular activity.

To register for the webinar, click [here](#).

As always, should there be any questions, please contact the BCSS office.
